The Experimenter's A-Z of Mathematics Steve Humble, 2017-09-08 Mathematics at all levels is about the joy in the discovery it's about finding things out This fascinating book is a guide to that discovery process presenting ideas for practical classroom based experiments and extension activities Each experiment is based on the work of a key mathematician who has shaped the way that the subject looks today and there are historical notes to help teachers bring this work to life The book includes instructions on how to recreate the experiments using practical mathematics computer programs and graphical calculators ideas for follow up work background information for teachers on the mathematics involved and links to the new secondary numeracy strategy framework Accompanying the book is a CD ROM with downloadable computer programs that can be used and reworked as part of the experimental process With a wide range of topics covered and plenty of scope for interesting follow up activities the book will be a valuable tool for mathematics teachers looking to extend the curriculum

Darius Linda Arena, 2013 Creating The Thirteenth Order is essential to insure that creation continues in the rapidly expanding universe With Earth's axis shift corrected and humanity saved Midas and the Guardians have only two items left to do before their final ascension Find Prometheus and make peace between them and bring in The Thirteenth Order However the enraged Prometheus has other plans for Midas Gideon Hermes and Rhea He lures them to the sacred mountain on Darius where he along with his army of Mat uk trapped them inside the mountain using a gravity net The instant the Mat uk breach the entrance of the mountain Midas alarm sounds He and the other Guardians attempt to enter the fifth dimension and cannot Realizing they were trapped and visible Midas dispatches the Mother ship and the seedling Rosie to Earth to bring back Rachael and her friends to save them much to the dismay of Rhea She pleads with Midas not to bring the humans to Darius as the planet will tap into their ancient DNA code and change them back to their original form Rachael and her friends upon hearing Rosie's pleas to help save the Guardians ultimately agree to go to Darius even though Darius is halfway across the universe and they have no idea what fate awaits them www.lindaarenaauthor.com **Crazy Little Thing** Liz

Langley, 2011-12-13 There are plenty of books offering advice about how to find or keep love But what else can be learnt from those who have visited the edges of love and desire making stops along the way in the spirit world and passing the fascinating territory of mental disorders God and extraterrestrial activities Popular sex columnist Liz Langley answers those questions resulting in a fascinating picture of why it is that people want to be in love **Lucinda, Dangerously**
