Creating an online presence can be a daunting task for the author. Promoting yourself and a book can quickly lead to becoming overwhelmed. Strategize your writing career by planning how to publish, publicize and launch your book. Learn how to get your books in bookstores and libraries and successfully contact television and radio stations and bloggers. Develop a solid plan to market your book and watch your sales grow. Are you ready to elevate your book promotion? For newcomers and seasoned authors *111 Tips on How to Market Your Book for Free* delves deeply into the mechanics of taking your writing career to the next level. With more links and resources this book can easily become invaluable to the writer. Although it may be dense with information the content is much more detailed. Reviewer: I liked the author's tips on how to build online relationships. As someone who avoids social media it has been the bane of my author's existence. I really appreciated how the author breaks down how to work on social media. Short to the point, succinct. Finally I get it. I am so excited to implement so many of these ideas. I was also thrilled to read the section on how to pitch to television and radio. Another superb writer's resource book from an excellent author. **The Best 100 Free Apps for Libraries** Jim Hahn, 2013-05-13 Librarian Jim Hahn has carefully culled the over 500,000 available apps down to the 100 that are the absolute best for day in day out library services. The guide covers apps for Apple and Android devices including tablets. Each entry in this long needed guide contains a basic summary of how each app operates at least one example of how that app can be used by a librarian, one example of how it can help a library user access library services, a section highlighting critical limitations and apps that may better serve a librarian's needs and the next possible iteration of the app. Entries are accompanied by a photo of the app in action so this current guide is both descriptive and visual. Introductory and final chapters cover using apps in library settings and library services as well as what the future should bring in this area. This guide is intended as an introduction for those with little or no app experience and for those wanting to know more about app uses for information access. *Mastering Search Analytics* Brent Charters, 2011-10-14 Readers learn what data to collect, how to analyze it and how to act upon it.
