## **Lose Cape Never Will Ever:**

**Losing the Cape** Dan Stanford, 2018-04-03 How to be a hero when you're feeling anything but super Despite all the superhero hype the problems and pain in our world aren't going away In fact it often feels like the threats just keep coming But the good news is that God has placed you here for such a time as this And the even better news You don't have to get rid of your anxiety debt speech impediment extra weight health issues disability or any other weakness to be used by God What this world actually needs is less than super people making small but significant differences in their own corners of the world Through inspiring stories from the Bible and his own life Dan Stanford demonstrates that with God availability is more important than ability Losing the Cape is an invitation to start making the world a better place through your ordinary everyday presence
