76 Feathers Jeannine Brown Miller, 2019-12-03 After the sudden undetermined death of her son the author takes you through the journey of how this changed her life from day one to now ten years after her son s death The content of the book is intended to take you through healing in a in a positive manner seeking your true purpose through such devastating life challenge She was inspired to write this book through many who found hope and inspiration by witnessing her journey Long Description Sit back grab a cup of coffee and read through this book of healing and hope written in a way that is conversational When a child dies suddenly without any medical rationale one is challenged to find ways to move through this journey The questions of why have to turn into let s make a plan on how we will get through this rather than focusing on something that has no answers The I can do this is what made us learn to carry the oppressively heavy weight of such a loss What is intriguing about this journey is that I learned it is indeed possible to get through it In fact life can be good joyful and meaningful once again It is up to us to find the good in our tragedy We are grateful to be able to do this by the grace of God Our Faith plays a huge role in our ability to find the best of what life has to offer Finding my purpose in life came through the struggling and asking of why do I need to go through this The responses simply seemed to be because you can Also what has become clear is that my suffering is intended to help others When we help others we help ourselves This suffering made me realize that I am far stronger than I ever thought I was but it is through faith prayer family and friends that allows me to see through the darkness It is my purpose to be a light for those who can t find it on their own There is much to gain from being in such a storm and I have learned that when I m feeling low tomorrow will be a better day The saying my son left for us Live by Faith One Day at a Time has been the most powerful of reminders We only have the day we are in yesterday is gone tomorrow isn t here yet live in the moment and we do so in the best way we can Our minds are powerful tools so we must find positives in our lives to carry us through We have control of very little in life but we have control over how we choose to handle the difficulties in life My prayer for the readers is that they too will find their own purpose and ways to find joy in life despite the dark they may now see most of the time Dealing with a profound loss is incredibly difficult but we are stronger than our situations I am here to tell you this is so true I would have never believed it

myself My hope is that if there is only one thing in this book helps you it has accomplished all that it needed to Reading my journal which is how the content of this book came about was very difficult yet it reminded me of where I was and where I am today ten years later It reminded me of why so many wanted me to write this in a book form While I resisted the task for many years timing is everything and coming up on the ten year anniversary of our son s reward to eternal life the timing is good now Shattered hearts never heal to be the same but the pieces come back together little by little and results in the new you the you that is intended to be if you can seek the lessons to learn from struggles in life and see the good in each and every one Nothing we experience is made to break us our experiences are intended to make us who we are meant to be Be that pillar of strength for those who need you Make good of your suffering and live your best life **Life After Mom** Tresa Roberts,2019-07-10 Losing a loved one feels like losing yourself Losing a mom feels like losing life Tresa L Roberts knows this feeling all too well and takes readers on the journey of her mom s vibrant life and her fight to live despite a terminal illness Tresa explores life after losing her mom and transfers that hurt into offering solace and empathy for others She invites readers into the gates of her heart as she relives sacred moments with mom through her writing Life after Mom is not just a for those who lost a mom it s for anyone who wants to learn to help others cope and deal with a loss It s a welcomed chance for humanity to take form and manifest in others lives Tresa concludes you never heal from the death of a loved one you learn to live without them Time may pass and memories may fade but love never dies She offers a process to deal with death and soothing recollections of her mother as she conveys a path to coping and healing Losing does not mean letting go In time you will live again and there is life after mom This memoir was written for who are dealing and coping with the loss of a mother
