Believe Sam Frost, 2022-03-30 I don't claim to know all the answers most of the time I'm still figuring it out myself. But what I can do is share an insight into the challenges I've faced from depression, anxiety, social media, toxic relationships, body image issues, and grief. I can offer you tips that have helped me find the light when darkness is all that I could see. When Sam Frost first came to the nation's attention after winning the second season of *The Bachelor*, it was as though her life was a fairytale. Then a down-to-earth 25-year-old who wore her heart on her sleeve, she captivated Australians far and wide. When that chapter of her life ended, it left Sam heartbroken and facing a public battle with depression and anxiety, but the support she received from people who reached out to detail their own struggles encouraged her to take back control of her story. Since then, Sam has kept her connection with the public by being her authentic self, often raw and vulnerable, never hiding behind an illusion of perfection and always trying to be the best person she can be. She pushed herself to take on a high-profile radio gig and then became an actor. In 2020, with her sister Kristine, Sam launched *BELIEVE* by Sam Frost, an online community focusing on mental health where everyone is included and imperfection is celebrated. In *Believe*, Sam shares her own experiences navigating dark mental health periods and, alongside Kristine's own insights, offers warm, gentle inspiration and tips to help you come through to the other side of your own. *Believe* is a personal story, a battle cry, and a reassurance for the many of Sam's fans who have struggled as she has. Life isn't perfect, but we can try each day to make it beautiful, and Sam, Kristine, and *Believe* will be your companions through it all. I've had my fair share of battles, and I still believe in the good in the world. I still have faith. I believe that I'm on a journey of self-discovery, of growth and evolution, and I want you to come on the journey with me. Hopefully, my story will help you believe in all the beauty life has to offer.
