**River Lady** Jude Deveraux, 2004-02-01 Jude Deveraux portrays the power of a woman set on a bold course for true love and the glory of fulfilling a magnificent promise. Handsome plantation owner Wesley Stanford would barely recall the poverty stricken young girl named Leah Simmons who adored him from afar years ago. *Wallace's Year-book of Trotting and Pacing in ...* John Hankins Wallace, 1905 James' River Guide Uriah Pierson James, 1857 *The Hemingway Log* Brewster Chamberlin, 2015-03-20 Few if any writers have made a mark as broad and deep as Ernest Hemingway, whose life and work, and even image, continue to permeate American culture more than a half century after his death in 1961. And never has there been a chronology of the writer's life and times as comprehensive, detailed, and useful as *The Hemingway Log*. For more than a dozen years, Brewster Chamberlin has been compiling and wonderfully annotating and continuously updating what amounts to almost a daybook calendar of Hemingway's life, as author Paul Hendrickson noted in his acclaimed *Hemingway's Boat: Everything He Loved in Life and Lost At*, long last available to readers and scholars. This chronology extends from the birth of Mark Twain, whose Huckleberry Finn Hemingway said was the source of all modern American literature, to the 2013 publication of the second volume of a projected seventeen of the Hemingway letters. Throughout the events and dates that had any influence whatsoever on the writer are detailed day by day. Who won the Nobel Prize in

literature each year for instance or the Pulitzer What works of poetry fiction or drama were published What was happening in the world and in the country and how did it relate to Hemingway Within this clarifying context the chronological facts of the writer s own life and work unfold literary production and publishing travels and households activities and relevant occurrences relations with family friends lovers and enemies Drawing on biographies memoirs and various Hemingway collections and websites as well as the full range of original sources such as letters fishing logs notebooks and manuscripts The Hemingway Log presents the most extensive and accurate chronology of Hemingway s life and times and in the process clears up many of the inconsistencies and factual errors that riddle accounts of the writer s life and work Any future scholar of Hemingway will find the book not just invaluable but absolutely necessary and any serious reader of Hemingway will find it irresistible **Palmers' Index to the Times Newspaper** ,1914 **Annual Report of the United States Life-saving**

**The Gospel According to Luke** James R Edwards,2020-05-21 This new Pillar commentary devotes attention throughout to the vocabulary historical background special themes and narrative purpose that make the book of Luke unique among the four Gospels Though the Gentile focus of Luke is often held to be primary James Edwards counterbalances that by citing numerous evidences of Luke s overarching interest in depicting Jesus as the fulfillment of the providential work of God in the history of Israel and he considers the possibility that Luke himself was a Jew Edwards also draws out other important thematic issues in excurses scattered throughout the commentary including discussion of Luke s infancy narrative the mission of Jesus as the way of salvation and Luke s depiction of the universal scope of the gospel This readable relevant commentary attends to the linguistic historical literary and theological elements of Luke that are essential to its meaning and considers Luke s significance for the church and the life of faith today

**Willa Cather** Laura Winters,1993 Cather s artistic voice speaks for and through the landscapes she loved in life As several critics have noted Cather s mind works by opposition furiously spinning doubles of character experience temperament and place Locating the scenes she imagines in particular places she forces her readers to merge character and place in a way no other American writer has ever done Willa Cather s fiction is also suffused with the notion of exile Her characters often banished from a native or authentic landscape are restless pilgrims who long for home a comforting space a rest from the arduous journey In order to manage the condition of exile Cather s characters must transform secular spaces into sacred places In these sacred places existence suddenly makes sense order is created from chaos as the history of the earth and the history of the individual merge and are reconciled Indeed these sacred places with an aura of resolution and rightness in their very air bring peace

*Equal* Katia Adams,2019-09-01 In *Equal* Church and ministry leader Katia Adams argues that the church has too often misrepresented the heart of Jesus to

release and empower women and men With sensitivity to both sides of the argument Adams draws on the wisdom of Scripture theology and the Holy Spirit Blending them with her own personal experiences she asserts that both women and men are equally called to serve and lead in the church and in the world and that by restricting the roles of women we are missing God s design for the church and for the gospel s impact on the earth
