Louis Davids De Grote Kleine Man:

Individuals and Small Groups in Jewish Resistance to the Holocaust Ben Braber, 2022-04-12 This book aims to increase our knowledge and deepen the understanding of Jewish resistance to the Holocaust by examining personal circumstances and characteristics of Jewish resistance members and the formation of small Jewish resistance groups It is a carefully researched case study which examines primary and secondary sources including evidence from interviews with resistance members and documentary evidence previously unavailable in English It uses a qualitative analysis to investigate individual and small group manifestations of Jewish resistance during the German occupation of the Netherlands between 1940 and 1945 This study contributes to historiography but its focus enables a different interpretation and displays a new view of history It is a scholarly work but also accessible for the general reader interested in this subject **This Cannot Happen**

Here Ben Braber, 2025-10-01 How did the integration of Jews into Dutch society influenced Jewish resistance during the German occupation of the Netherlands in the Second World War In this book Ben Braber answers the question how the integration of Jews into Dutch society influenced Jewish resistance during the German occupation of the Netherlands in the second world war This study highlights the social position of Jews and their group characteristics but also reviews other factors that determined what forms Jewish resistance took such as personal character and individual circumstance This is the first comprehensive study of this subject in the English language of Jewish resistance in the Netherlands It offers a new perspective on Jews during the Holocaust and counters the prejudice about Jews failing to resist persecution This book is also relevant for today's multi ethnic society It is a case study about the hampered integration of a minority in particular how people in this group react when they are forcefully segregated and persecuted while thinking this cannot happen here
