Lovecation Yahaya Balogun,2021-07-13 We are in a period where love and affection are a mismatch for partnerships families relationships etc Problems of association beset us and the fear of the known and unknown troubles the world As a freelance writer who feels a powerful desire for friendliness and with a passion for changing the world for good I wrote this short book of love poems to trigger people s interests and relax the troubled souls out there We make true love a mundane subject whereas there should be bantering and the presence of naughtiness in the consensual relationship state of lovers minds The only uniter of the troubled minds is the indescribable feeling that we call love Between two lovers love is an unending fondness that brings them together for a long lasting relationship Every human being is a biased political animal We believe what we want to regard as accurate and close our eyes to other people s opinions One way or the other we have tried to be politically correct in our political conversations with one another Unfortunately no political analyst or writer has ever satisfied all political religious or tribal audiences anywhere in the world For example in the United States while the Republicans see the Democrats as political dumbasses Democrats see the Republicans as chronic conspiracy theorists and Assholes Freelance writers unintentionally create political enemies when they try to be deliberately or indeliberately honest about how opposing parties play politics Alas writing humorously on lovemaking and all the ingredients of naughtiness every reader is prone to travel mentally on what I call lovecation to satisfy their libido i e sexual desire Love brings human beings together And women are the bridge of affections that sail men to the destination of love The purpose of this book on love poems is to serve as a tranquilizer to soothe the unsettling souls and bring the once upon a time lovebirds and now estranged partners to lovemaking and amity again The world needs love to relax and device means of fun making Hopefully this book will trigger stressful minds to relax and enjoy this book s fun making merriment mischief and genuine intention *The Aspect of Love Life* Natasa To,2013-04 As a child in South Vietnam poet Natasa To never dreamed that a home across the globe could inspire poetry within her But after moving to the United States as a teenager To be struck by the awe inspiring changes each aspect of love life that love ushered in like all the aspects of love life It was this awe that compelled To to honor the majesty of Virginia for lovers in the form of poetry Inspired by many Vietnamese poets like Nguyen Du Huy Can and Xuan Dieu before her Natasa To s poetry makes us know all love life with every aspect such as the love of peace Buddha feelings and the all the aspect of love life Touching upon subjects like love life and the beauty love all around us the poems of Aspects of Love Life speak a universal language about love and what it means to be love life of human being **A Little Book of Latin Love Poetry** John Breuker,Mardah Weinfeld,2006-01-01 Love Poetry Readings for Comprehension and Review This
