Loveunder Different Skies The Loveseries 3:

Love...Under Different Skies Nick Spalding,2013-01-31 Sometimes the hardest part of staying together is keeping a straight face Ever wish you could leave all your problems behind and make a fresh start somewhere else Trade the stresses and strains of everyday life for your own slice of sun kissed paradise on the other side of the world Jamie and Laura Newman certainly have When Jamie s spectacular meltdown at work results in him being handed his P45 and Laura finds her working days end up with her rugby tackling defenceless pensioners in the high street a move ten thousand miles away sounds ideal After all it might mend some of the cracks that have appeared in their marriage over the past few months So when Laura is offered a new job in Australia the Newman family think their dreams have come true But as the old saying goes be careful what you wish for you might just get it As the hapless couple soon find out problems have a way of following you no matter how far you go to avoid them Can love survive under different skies
