Loving Jesus Mother Teresa:

Where There Is Love, There Is God Mother Teresa, 2010-08-10 Mother Teresa's relationship with God and her commitment to those she served the poorest of the poor is here powerfully explored in her own words Taken largely from her private lessons to her sisters published here for the first time *Where There is Love There is God* unveils her extraordinary faith in and surrender to God's will This book is in some way a sequel to *Mother Teresa Come Be My Light* in which her own very private spiritual struggles were explained Sent to alleviate the sufferings of the poor she assumed their struggles and pain in the depths of her heart This led to particularly intense anguish which she lived through with heroic courage and fidelity over several decades As important as this aspect of her life is that remarkable testimony of her life and her words intensifies the need and desire to know more of her thought There is much she can teach us as we face our daily struggles or sufferings which can at times be unusually severe *Where There is Love There is God* though not an exhaustive anthology of Mother Teresa's teaching nonetheless shows what she believed and taught about important issues that confront all people Due to her constant interaction with people of diverse backgrounds no life situation was foreign to her and in this book her role is primarily one of teacher and guide Love is perhaps the word that best summarizes Mother Teresa's life and message The title reflects what she proclaimed during her entire life God is alive present and still loves the world through you and through me Mother Teresa sought to be an extension of God's heart and hands in the world of today She was called to be a missionary of charity a carrier of God's love to each person she met especially those most in need Yet she did not think that this was a vocation uniquely hers each person is in some way called to be a carrier of God's love Through the practical and timely advice she offers Mother Teresa sets us on the path to closer union with God and greater love for our brothers and sisters **MOTHER TERESA** 1910-1997 was born in Skopje present day Macedonia and joined the Sisters of Loreto in Dublin in 1928 She left the Loreto order in 1948 to begin the Missionaries of Charity in Calcutta Her service to the poorest of the poor became her life's work She was awarded the Nobel Peace Prize in 1979 and was beatified in 2003 Editor of *Mother Teresa Come Be My Light* **FATHER BRIAN KOLODIEJCHUK** M C Ph D was associated with Mother Teresa for twenty years and is now director of the Mother Teresa Center which has offices in California Mexico India and Italy What you are doing I cannot do what I'm doing you cannot do but together we are doing something beautiful for God and this is the greatness of God's love for us To give us the opportunity to become holy through the works of love that we do because holiness is not the luxury of the few It is a very simple duty for you for me you in your position in your work and I and others each one of us in the work in the life that we have given our word of honor to God You must put your love for God in a living action Mother Teresa From *Where There is Love There is God* **Loving Jesus** Mother Teresa, José Luis González-Balado, 1991 A collection of Mother Teresa's recent addresses speeches sayings comments and an interview and a biographical sketch which pinpoints important dates and developments in her life In most of the material she focuses on the call to serve the poorest of the poor with the

everyday best This is an account you won't soon forget told with simple and loving directness by an eyewitness *Love, a Fruit Always in Season* Mother Teresa, 1987 Inspirational passages taken from the writings and speeches of Mother Teresa are arranged according to the days of the church year **The Blessings of Love** Mother Teresa (Saint), 1996 A joyful heart is the normal result of a heart burning with love Mother Teresa **Mother Teresa's General Letters to Her Sisters** Kolodiejchuk MC Brian, 2024-06-21 Mother Teresa's General Letters to Her Sisters is a collection of Mother Teresa's circular letters to the members of her religious congregation the Missionaries of Charity Sisters Not intended for those outside her community they were written informally and spontaneously often with little editing It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order Seemingly of little interest except for those to whom they were addressed the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century At the same time and perhaps surprisingly these letters may also prove to be worthwhile reading for a wider audience Something of God's wisdom and love seems to shine through Mother Teresa's guidance and counsels giving the reader light and help even though he or she is not living the same religious life as one of the Sisters Mother Teresa's unpolished statements are at times humble and at times humbling They inspire confidence and encourage generosity Many a time they are humorous but more often challenging They are sprinkled with serene joy but also permeated with deep pain She delighted in her Sisters' accomplishments yet did not shy away from correcting even the smallest flaw which didn't escape her very observant eye Sometimes she sounded just like a mother full of tender loving care and at other times more like a commander in chief exhibiting an iron will and uncompromising determination In either case her followers seemed to have been drawn into the mystery of her charism endeavoring to keep pace with her Was it the attraction of what could be termed as her leadership style in the unremitting service of the poorest of the poor or the perceived love of a mother's heart that made her so unanimously loved and admired by the members of her congregation Or was it both The letters will reveal the answer Inspiring in their simplicity the letters may well serve as a treasure trove where anyone from a reflective scholar to a caring mother of a family may find satisfaction for their spiritual palate The attractiveness of perennial truth often makes Mother Teresa's presentation of traditional spiritual themes likewise relevant for contemporary needs In the context of Mother Teresa's statement that we are created for greater things to love and to be loved these letters will help the reader discover and experience God's presence through the little miracles of His love in one's daily life They will inspire us to put our love into living action sharing His love with all those we meet and so make our lives something beautiful for God Mother Teresa: Just a Pencil in God's Hand Kolodiejchuk MC Brian, 2024-06-07 This anthology contains a collection of intellectual explorations honoring the enduring legacy of Mother Teresa The symposium held on 10 September 2022 at the Catholic University of America CUA brought together leading scholars to speak of Mother Teresa's legacy to produce the following
