L. Anderson BSM MSM,2019-03-05 Lou

Anders was a young girl who lived a teeming life but was an adolescent who suffered many nights of anguish from her recurring nightmares. At times her dreams would become so terrible and consuming that she would lose touch with reality and her immediate surroundings. Lou grew up to see some of her dreams become startling realities as she would travel to many of the places that she had dreamed about. Many of her mental innovations would startle even her family and friends. Her parents had not a clue that she would grow up to become a very rich and famous personality. Ms Anders gives many elaborate and celebrated accounts and reports of the distress, the loneliness and the torment that she had to face on a nightly basis. Even though her dreams were just dreams, they would often leave her dejected, hopeless and traumatized. After the death of her husband Butch, who was her number 1 supporter, and after the death of their romantic interlude, her life changed for the worse.
