positions of the planets within the houses offer deep and often complex insight into your unique gifts and your life's path. In *Astrology for Mystics*, Tayannah Lee McQuillar explores the 4th, 8th, and 12th houses, those connected with the element of water and all things occult, mystical, and spiritual. The fourth house, ruled by the water sign Cancer, is traditionally the house of family, home, ancestors, and suffering. The eighth house, ruled by the water sign Scorpio, is the house of sex, death, secret powers, and transformation. The twelfth house, ruled by Pisces, is the house of karma, loss, unspoken expectations, fantasy, and confinement. As McQuillar explains, these are the houses that reveal the deepest and darkest areas of the individual psyche, which many people are reluctant to explore; yet this triad is the key to profound spiritual insights as well as the discovery of hidden knowledge and abilities. The author guides you through interpreting the signs and planets that inhabit the water houses in your natal chart and shows how they reveal specific innate talents. She describes how to develop the hidden powers revealed by your chart and offers practical advice for incorporating this knowledge into your daily life for spiritual growth and self-improvement. Sharing interpretation examples from her practice, she also explores how to embrace the challenge of the occult water houses so you can claim the many treasures that can only be found on the ocean floor of the psyche.
