Urban Apologetics Eric Mason, 2021-04-06 Urban Apologetics examines the legitimate issues that Black communities have with Western Christianity and shows how the gospel of Jesus Christ rather than popular socioreligious alternatives restores our identity African Americans have long confronted the challenge of dignity destruction caused by white supremacy While many have found meaning and restoration of dignity in the black church others have found it in ethnocentric socioreligious groups and philosophies These ideologies have grown and developed deep traction in the black community and beyond Revisionist history conspiracy theories and misinformation about Jesus and Christianity are the order of the day Many young African Americans are disinterested in Christianity and others are leaving the church in search of what these false religious ideas appear to offer a spirituality more indigenous to their history and ethnicity Edited by Dr Eric Mason and featuring a top notch lineup of contributors Urban Apologetics is the first book focused entirely on cults religious groups and ethnocentric ideologies prevalent in the black community The book is divided into three main parts Discussions on the unique context for urban apologetics so that you can better understand the cultural arguments against Christianity among the Black community Detailed information on cults religious groups and ethnic identity groups that many urban evangelists encounter such as the Nation of Islam Kemetic spirituality African mysticism Hebrew Israelites Black nationalism and atheism Specific tools for urban apologetics and community outreach Ultimately Urban Apologetics applies the gospel to black identity to show that Jesus is the only one who can restore it This is an essential resource to equip those doing the work of ministry and apology in urban communities with the best available information

The Urban Myths of Popular Modern Atheism Paul E. Hill, 2019-02-22 How Atheists rely on urban myths about religion to buttress their case against God God and the whole business of being dependent upon him is being downgraded downsized downplayed and most of all just plain dismissed in the modern cultured educated parts of Europe and in academia This process is powered and driven by a whole growing series of interlocked urban myths about what is

supposed to be involved in being a religious and often specifically Christian believer This book examines and critiques those myths showing how the Christian faith can be intelligent and supported by reason *Urban Apologetics: Cults and Cultural Ideologies* Eric Mason, 2023-06-20 We know that Urban isn't just a place but a culture now Followers of Jesus face many challenges to their faith among them the rising influence of contemporary cults alternative theologies and ethical issues that challenge traditionally held beliefs and practices *Urban Apologetics: Cults and Cultural Ideologies* is a follow up to the bestselling *Urban Apologetics* and it provides a guide to addressing these challenges with grace and wisdom In addition throughout the book are short essays by leaders in the church sharing their convictions on successful ministry and reflection on today's challenges in light of the past This all new volume addresses several of today's most talked about issues including Jehovah Witnesses The Prosperity Gospel Black Liberation theology LGBTQ Issues Critical Race Theory CRT White Nationalism Faith Deconstruction Edited by Dr Eric Mason and featuring a top notch lineup of contributors such as Anthony Bradley Brandon Washington and Thabiti Anyabwile *Urban Apologetics: Cults and Cultural Ideologies* equips pastors churches and everyday believers to engage the most common ethical biblical and theological challenges faced by Christians and the church today *Enemies of the Cross of Christ* Demetrius Williams, 2002-12-01 *Enemies of the Cross* employs classical rhetorical analysis to examine how Paul structures a deliberative argument using his understanding of the cross of Christ His goals are to guide advise the Philippian community through internal and external strife ch 2 combat his opponents ch 3 and develop his notion of the eschatological community 3:18-21 Williams proposes that while Paul has a theology of the death of Jesus of which cross terminology is one of several aspects this terminology is used almost exclusively in polemical conflictual contexts Hence Paul appears to be using cross of Christ not so much as a doctrine but rather as a rhetorical tool in a context of conflict and strife to support his understanding of eschatology apostolic service the nature of Christian existence and community among the saints **Hopeful Realism in Urban Ministry** Barry K. Morris, 2016-05-20 What pray tell does a faithful urban ministry require if not a triadic relationship of prayer justice and hope Could such a theologically conjunctive relationship of prayer justice and hope fortify urban ministry and challenge students and practitioners to ponder and practice beyond the box Frequently justice is collapsed to charity hope into wishful thinking or temporarily arrested despair and prayer a grasp at quick fix interventions An urban ministry's steadfast public and prophetic witness longs for the depth and width of this triad Via three countries decades of endeavors one chapter brainstorms urban ministry practices while another's literature survey signals crucial convictions Amid many seminal theologians are summoned to ground urban ministry intimations and implications Niebuhr on justice Moltmann on hope and Merton on contemplative prayer Evident is passion that fuels compassion in the service of justice hope that engages despair and prayer that draws from the contemplative center of it all thankful resources for long haul ministry The triad presses to illumine a concrete ministry's engagement of relentless forced option issues yet with significant networks resourcing Contrast awareness animates

endurance The summary exegetes the original grace based serenity prayer Hence hope vitally balances realism s temptation to cynicism Realism saves hope from irrelevancy **Urban Impact** John L. Thompson,2010-10-26 Helping the city pastor or missionary develop an effective ministry Thompson elaborates on seven critical principles necessary for an effective urban ministry Following this discussion the book turns to two of the leading challenges of great cities Other chapters address urban discipleship as the most effective approach to promote life transformation planting churches in the difficult urban environment and raising a family in the city from publisher description *Training Students for Urban Ministry* John Fuder,2001-07-19 **The Role of a Community Chaplain in a Marginalised Urban Community** Noah O. Okiror,2017-12-19 This book presents findings of further research into the concept I started in my previous book the importance of dying to self and its implications for outreach to unchurched children in isolated communities It was centered on our Lord Jesus call for all to deny themselves in order to follow him If anyone would come after me he must deny himself and take up his cross daily and follow me Luke 9 23 Gods ways are not our ways Isaiah 55 8 We have to lose in order to gain Philippians 3 78 we have to lose ourselves in order to find ourselves Matthew 10 39 we have to die in order to live John 12 24 and if you want victory you have to first surrender watch the War Room movie This book delves deeper into the practical aspects of reaching a specific demographic of unchurched children in Jane Finch *Urban Disturbances* Bruce McDougall,2021-02-26 In *Urban Disturbances* ordinary characters reveal through their stories the infinite possibilities of our common humanity A dispassionate lawyer experiences mixed feelings about talking a man out of jumping off a bridge A respected philanthropist begins to buckle under the weight of a shocking secret A determined woman crafts a meticulous plan to bag a rich husband Jack of beanstalk fame discovers the maiden in the tower and happily ever after aren t always all that they re cracked up to be These characters and others are at once painfully ordinary and deliciously absurd often relatable and occasionally irredeemable They navigate complicated relationships and contend with their own self destructive behaviours all the while clinging to essential very human desires to be noticed to be wanted to be loved and occasionally when the situation calls for it to get what they deserve **Urban Hope and Spiritual Health** Leslie J. Francis,2005 Spiritual health involves the whole person Spiritually healthy individuals stand in right relationship with themselves with other people with the world in which they live and with the transcendent however they conceive it Spiritually healthy individuals build purposeful lives develop sound relationships take responsibility for the world around them and embrace the transcendent with confidence Spiritually healthy individuals are needed at the heart of urban regeneration to celebrate personal hope to invest in social capital and to transform spiritual wilderness into centres of personal social and economic creativity **Pentecostalism in Urban Oaxaca** Michelle Ramirez,2024-05 An ethnography focusing on a Pentecostal church community and their pursuit of healing marriages and prosperity Pentecostalism in Urban Oaxaca is a timely feminist ethnography set in a Pentecostal church community in Oaxaca de Juarez Based on extensive fieldwork Michelle Ramirez

skillfully melds medical anthropology with cultural analysis to reveal the Pentecostal movement's dynamics in the contexts of faith healing marital relations and economic prosperity Ramirez takes stock of the problematic ways that Pentecostalism has played out for Mexican women today but also reminds readers of some of its successes Within the context of Mexican patriarchy some women parishioners in abusive relationships see the church as a way to improve their lot Pentecostalism seeks to rupture with Mexico's colonial heritage and Ramirez provides novel ways for the reader to consider how Pentecostalism can provide healing for even the endlessness of addiction One case study portrays a former abusive alcoholic womanizer who underwent a spiritual transformation as a result of his conversion Through this example and more Ramirez examines the complex relationship between gender modernity and Indigeneity in the context of marriage The book also addresses the MeToo movement as encountered in the Pentecostal church Finally Ramirez investigates how Pentecostalism addresses the curses of illness and poverty highlighting the paradoxical relationship between faith healing and curanderismo The gospel of economic prosperity holds promise for a better life breaking free from the disease of poverty To this end Ramirez profiles some parishioners involvement with Omnilife a multilevel marketing company selling vitamins and natural health products that propounds ideals similar to those of Pentecostal Christianity
