Handbook of Medieval Sexuality Vern L. Bullough,James Brundage,2013-01-11 Like specialists in other fields in humanities and social sciences medievalists have begun to investigate and write about sex and related topics such as

courtship concubinage divorce marriage prostitution and child rearing The scholarship in this significant volume asserts that sexual conduct formed a crucial role in the lives thoughts hopes and fears both of individuals and of the institutions that they created in the middle ages The absorbing subject of sexuality in the Middle Ages is examined in 19 original articles written specifically for this Handbook by the major authorities in their scholarly specialties The study of medieval sexuality poses problems for the researcher indices in standard sources rarely refer to sexual topics and standard secondary sources often ignore the material or say little about it Yet a vast amount of research is available and the information is accessible to the student who knows where to look and what to look for This volume is a valuable guide to the material and an indicator of what subjects are likely to yield fresh scholarly rewards **The Publisher** ,1903 Addressing Ableism Jennifer

Scuro,2017-10-25 Addressing Ableism is a set of philosophical meditations outlining the scale and scope of ableism By explicating concepts like experience diagnosis precariousness and prosthesis Scuro maps out the institutionalized and intergenerational forms of this bias as it is analogous and yet also distinct from other kinds of dehumanization discrimination and oppression This project also includes a dialogical chapter on intersectionality with Devonya Havis and Lydia Brown a philosopher and writer activist respectively Utilizing theorists like Judith Butler Tobin Siebers Emmanuel Levinas and Hannah Arendt to address ableism Scuro thoroughly critiques the neoliberal culture and politics that underwrites ableist affections and phobias This project exposes the many material and non material harms of ableism and it offers multiple avenues to better confront and resist ableism in its many forms Scuro provides crucial insights into the many uninhabitable and unsustainable effects of ableism and how we might revise our intentions and desires for the sake of a less ableist world

The Collected Works of Dante Gabriel Rossetti Dante Gabriel Rossetti,William Michael Rossetti,1890 **British Books** ,1903 **What is Slavery?** Brenda E. Stevenson,2015-08-06 What is slavery It seems a simple enough question Despite the long history of the institution and its widespread use around the globe many people still largely associate slavery outside of the biblical references in the Old Testament to the enslavement of Africans in America particularly the United States Slavery proved to be essential to the creation of the young nation s agricultural and industrial economies and profoundly shaped its political and cultural landscapes even until today What Is Slavery focuses on the experience of enslaved black people in the United States from its early colonial period to the dawn of that destructive war that was as much about slavery as anything else The book begins with a survey of slavery across time and place from the ancient world to the beginning of the Atlantic slave trade and then describes the commerce in black laborers that ushered in market globalization and brought more than 12 million Africans to the Americas before finally examining slavery in law and practice For those who are looking for a concise and comprehensive treatment of such topics as slave labor culture resistance family and gender relations the domestic slave trade the regionalization of the institution in the expanding southern and southwestern frontiers and escalating abolitionist and proslavery advocacies this book will be essential reading **“Who Am I to Judge?”** Stephan

Goertz,2021-11-08 The Catholic Church still takes an ambivalent stance toward homosexuality declaring that homosexuals should be respected and not discriminated against while morally condemning their intimate relationships This volume presents exegetical theological and ethical arguments as well as evidence from the human sciences to advocate for the recognition of homosexuality as a natural variant of the human capacities to love and to form relationships **The New Penguin Dictionary of Modern Quotations** Robert Andrews,Kate Hughes,2000 From Margot Asquith to Monica Lewinsky from George V to Boutros Boutros Galli and Jonathan Aitken to Frank Zappa The New Penguin Dictionary of Modern Quotations is the definitive collection **Redefining Rape** Estelle B.
