

“**LOVE IS A DECISION** IT
IS A JUDGMENT, IT IS A PROMISE.
IF LOVE WERE ONLY A FEELING,
THERE WOULD BE NO BASIS FOR
THE PROMISE TO LOVE EACH OTHER
FOREVER. A FEELING COMES AND
IT MAY GO. HOW CAN I JUDGE THAT
IT WILL STAY FOREVER, WHEN
MY ACT DOES NOT INVOLVE JUDGMENT
AND DECISION.”

National Labor Relations Board,2002 **The Gift of Love** Andrew Staron,2017-02-01 The Gift of Love explores the intelligibility of Augustine s claim that we come to know and encounter God in and through our love Building upon the discoveries of recent scholarship Andrew Staron reads Augustine s De Trinitate not as presenting the Trinity as a concept to be grasped but rather as a rational study of the limits of theological language and the possibility of coming to know the Trinity because of those limits Human dependence on God s initiative indicates that the Trinitarian God of love is knowable only through attention to how God s self revelation transforms and saves us Therefore to see God one seeks to mark love s formative activity within the heart Jean Luc Marion s rigorous description of the gift of love offers to Augustine s theology a phenomenological texture by which the Trinitarian love given in revelation might be made incarnate in one s life The Gift of Love presents a reason for hope that while coming to know the Trinity that God is might be impossible for human beings it is made possible by God s antecedent gift of love given in the missions Son and Holy Spirit and iconically received in the particularity of one s own love **Love Unfolded** Abdur Rahim,2019-08-08 Where there is love there is life But what love is To understand love at the deepest level we need to know what love is and how it is explained This book attempts to share inspiring insights anecdotal experiences and perhaps incomplete yet valuable materials and viewpoints of general and notable people across the global

cultures over time which is presented precisely easy to read and understand to the readers on the matter of love marriage and sexual behavior towards fulfilling the life's most intrinsic desire and happiness. The book is for the general public of all sections of global society and culture. The three key messages readers shall take away from this book are: a love is the essence, b marriage is a bond, and c sex is the ultimate supreme pleasure of life. Explaining these themes, attempts have been made to broadly discuss about the topics bringing together various ideas from diverse sources: historical periods, cultures, and philosophical perspectives along with contemporary empirical work from psychology, sociology, anthropology, and neuroscience. The readers not only will enjoy the many flavors of the substance of the book but also get the facts and analysis of why we approach love marriage relationships and observed or unobserved differences between men and women and what social, historical, cultural, political, evolutionary, or biological factors might influence them. Nonetheless, the substance of the book tells the innermost words of every man and woman that are being preserved since their young age. Finally, the book will be of good values and understanding with readers' own journey of love marriage and relationship. These are the reasons why the readers will buy the book. Servants Leading

Servants - 15 Signs of a REAL Servant Leader (FACILITATOR) Hermann Eben, *Marion, Love, and Nihilism* Matthew C. Kruger, 2024-11-19 The foundation of this book is the work of Jean-Luc Marion who writes at length about the problems of

vanity and nihilism and offers an answer in love specifically Christian love A complication that arises however is that Marion argues that love is absent in the respective responses to nihilism of Friedrich Nietzsche and Martin Heidegger two figures who play a key role in the development of his thought and who also have their own notions of love In Marion Love and Nihilism Matthew C Kruger explores this series of questions by providing first an overview of the responses to nihilism found in these figures then a close reading of Marion's thoughts on the matter before moving to accounts of the concept of love in Nietzsche and Heidegger The book then finishes with a further critique of Marion's work relying on the thought of Nishitani Keiji Kruger argues that while Marion correctly identifies an answer in love as did Heidegger Nietzsche and Nishitani in their own ways Marion's thought ends in world denial and thus fails find a complete answer to nihilism Lovescapes, Mapping the Geography of Love Duncan S. Ferguson, 2012-12-06 Lovescapes introduces the reader to the various meanings and manifestations of love and its many cognates such as compassion caring altruism empathy and forgiveness It addresses how love and compassion have been understood in history and the religions of the world It goes on to explore the ways that our environments and heredity influence our capacity to love and suggests ways to cultivate love and compassion in one's life The book shows how the values of love and compassion are integral to finding humane solutions to the daunting problems we face as individuals as a human family and as an earth community a world in crisis Lovescapes has the following features Describing how love is the essence of the divine and therefore the ground of reality Understanding the meaning of love and its place in our lives Learning how love and compassion have been understood across history culture and tradition Gaining insight about how to increase our capacity to love and show compassion Discerning how love and compassion can be applied in all aspects of our lives in the regions where we live and in our global setting **Love Is the Answer** Shirin Dalaki, 2013-07-01 To love and to be loved is the concept of life the reason for our living on this planet earth we must all be aware and know that there are simple ways of doing this Love Is the Answer is the solution to every situation you encounter in life and through this book you are able to truly practice it and know that you are the vehicle to carry this love around
