Love Saves The Day Love Saves The Day:

Love Saves the Day Gwen Cooper, 2013-10-22 From the author of the New York Times bestselling memoir *Homer's Odyssey* comes a tender joyful utterly unforgettable novel primarily told through the eyes of the most observant member of any human family the cat Humans best understand the truth of things if they come at it indirectly Like how sometimes the best way to catch a mouse that's right in front of you is to back up before you pounce So notes Prudence the irresistible brown tabby at the center of Gwen Cooper's tender joyful utterly unforgettable novel which is mostly told through the eyes of this curious and occasionally cranky feline When five week old Prudence meets a woman named Sarah in a deserted construction site on Manhattan's Lower East Side she knows she's found the human she was meant to adopt For three years their lives are filled with laughter tuna catnaps music and the unchanging routines Prudence craves Then one day Sarah doesn't come home From Prudence's perch on the windowsill she sees Laura the daughter who hardly ever comes to visit Sarah arrive with her new husband They're carrying boxes Before they even get to the front door Prudence realizes that her life has changed forever Suddenly Prudence finds herself living in a strange apartment with humans she barely knows It could take years to train them in the feline courtesies and customs for example a cat should always be fed before the humans and at the same exact time every day that Sarah understood so well Prudence clings to the hope that Sarah will come back for her while Laura a rising young corporate attorney tries to push away memories of her mother and the tumultuous childhood spent in her mother's dusty downtown record store But the secret joys past hurts and life changing moments that make every mother daughter relationship special will come to the surface With Prudence's help Laura will learn that the past like a mother's love never dies Poignant insightful and laugh out loud funny *Love Saves the Day* is a story of hope healing and how the love of an animal can make all of us better humans It's the story of a mother and daughter divided by the turmoil of bohemian New York and the opinionated irrepressible feline who will become the bridge between them It's a novel for anyone who's ever lost a loved one wondered what their cat was really thinking or fallen asleep with a purring feline nestled in their arms Prudence a cat like no other is sure to steal your heart Praise for *Love Saves the Day* Prudence is a sassy but sensitive feline heroine Time Unforgettably moving a hard one to put down Modern Cat If you are the Most Important Person to a cat you will hold them much tighter by the book's end If you don't have a cat Prudence will have surreptitiously lured you into the danger zone Falling in love with a cat because they need family too The Vancouver Sun Cooper brings readers a fictional tale that cat lovers will treasure This book will make most readers laugh and cry and probably lead them to wonder more often what exactly their pet is thinking Fredericksburg Free Lance Star The interspersed viewpoints enrich Cooper's sensitively told novel that unravels a story based on actual events about a century old tenement building and the inhabitants therein That story ultimately serves as the basis to understanding the emotional subtexts of these authentic well drawn characters Shelf Awareness **Love Saves the Day** Tim Lawrence, 2004-02-02 Opening with David Mancuso's seminal *Love*

Saves the Day Valentine's party Tim Lawrence tells the definitive story of American dance music culture in the 1970s from its subterranean roots in NoHo and Hell's Kitchen to its gaudy blossoming in midtown Manhattan to its wildfire transmission through America's suburbs and urban hotspots such as Chicago Boston San Francisco Los Angeles Newark and Miami Tales of nocturnal journeys radical music making and polymorphous sexuality flow through the arteries of Love Saves the Day like hot liquid vinyl They are interspersed with a detailed examination of the era's most powerful djs the venues in which they played and the records they loved to spin as well as the labels musicians vocalists producers remixers party promoters journalists and dance crowds that fueled dance music's tireless engine Love Saves the Day includes material from over three hundred original interviews with the scene's most influential players including David Mancuso Nicky Siano Tom Moulton Loleatta Holloway Giorgio Moroder Francis Grasso Frankie Knuckles and Earl Young It incorporates more than twenty special dj discographies listing the favorite records of the most important spinners of the disco decade and a more general discography cataloging some six hundred releases Love Saves the Day also contains a unique collection of more than seventy rare photos

Love Saves the Day Barbara Cartland, 2018-03-14 The beautiful redheaded Tiana Weston sets out to visit her inheritance in Dorset with high hopes It had been her parents' dream to restore Castle Rose to its former glory as it is now a dilapidated ruin and only a small part is fit to live in But Tiana soon discovers that enthusiasm and determination alone do not pay the workmen or keep property developers at bay and soon she is faced with a dreadful dilemma Her handsome and aristocratic next door neighbour Richard the Earl of Austindale also faces considerable problems He has to be married by midnight on his next birthday or he will lose everything he holds most dear to his cousin Alan Viscount Paige A young girl anxious to protect her home a man desperate for a wife it seems like a sensible business like arrangement that they should marry each other And Tiana finally accepts the Earl's proposal and they are due to be married on his thirtieth birthday But then an old flame of the Earl's arrives to claim him for herself and Tiana is filled with doubt especially as the Viscount is paying a great deal of attention to her She also finds herself in great danger because now so many are determined that the marriage will not take place How Tiana realises how much she loves the Earl And how she finally finds happiness is all told in this exciting romance by BARBARA CARTLAND

The Cat Lover's Bundle: Homer's Odyssey and Love Saves the Day (2-Book Bundle) Gwen Cooper, 2013-12-02 As an acclaimed writer of both fiction and nonfiction Gwen Cooper touches readers with heartwarming and often surprising insights into the bond between humans and their animal companions Featuring Cooper's inspiring memoir *Homer's Odyssey* and her cat narrated novel *Love Saves the Day* this eBook bundle is perfect for readers who've ever known unswerving feline devotion fallen asleep with a purring kitten nestled in their arms or wondered what their cat was really thinking *HOMER'S ODYSSEY A Fearless Feline Tale* or *How I Learned About Love and Life with a Blind Wonder Cat* Touching one not to miss USA Today The last thing Gwen Cooper wanted was another cat She already had two not to mention an underpaying job and a recently broken heart Then Gwen's vet called with a story about a

three week old eyeless kitten who d been abandoned It was love at first sight Everyone warned that Homer would be an underachiever but the kitten nobody believed in quickly grew into a three pound dynamo who scaled seven foot bookcases survived alone for days after 9 11 in an apartment near the World Trade Center and even saved Gwen s life when he chased off a home intruder By the time Gwen met the man she would marry Homer had taught her the most valuable lesson of all Love isn t something you see with your eyes LOVE SAVES THE DAY A Novel Prudence is a sassy but sensitive feline heroine Time When five week old Prudence meets a woman named Sarah in a deserted construction site on Manhattan s Lower East Side she knows she s found the human she was meant to adopt For three years their lives are filled with laughter tuna catnaps music and the unchanging routines Prudence craves Then one day Sarah doesn t come home When Sarah s estranged daughter and her husband arrive with boxes Prudence knows that her life has changed forever Poignant insightful and laugh out loud funny Love Saves the Day is the story of a mother a daughter and the irrepressible feline who becomes the bridge between them Prudence a cat like no other is sure to steal your heart Praise for Gwen Cooper Homer s Odyssey Moving insightful and often hilarious Homer s Odyssey is about a blind cat with a spirit of epic proportions Read and rejoice Sy Montgomery author of The Good Good Pig Cooper is a genial writer with both a sense of humor and a gift for conveying the inner essence of an animal The indefatigable feline should be an inspiration to us all The Christian Science Monitor A wonderful book for animal lovers Temple Grandin author of Animals in Translation Love Saves the Day A poignant tale Gwen Cooper once again demonstrates her compassionate fluency in felinespeak and proves equally adept at conveying complex human emotions with flair and sensitivity Booklist A reason to stand up and cheer Once again Gwen Cooper shines her light on the territory that defines the human animal bond Jackson Galaxy star of My Cat from Hell and author of Cat Daddy A charming story of love lost and found Love Saves the Day eloquently explains why so many of us would do anything at all for our pets Barbara Delinsky New York Times bestselling author of Escape

Life and Death on the New York Dance Floor, 1980-1983 Tim Lawrence,2016-09-15 As the 1970s gave way to the 80s New York s party scene entered a ferociously inventive period characterized by its creativity intensity and hybridity Life and Death on the New York Dance Floor chronicles this tumultuous time charting the sonic and social eruptions that took place in the city s subterranean party venues as well as the way they cultivated breakthrough movements in art performance video and film Interviewing DJs party hosts producers musicians artists and dancers Tim Lawrence illustrates how the relatively discrete post disco post punk and hip hop scenes became marked by their level of plurality interaction and convergence He also explains how the shifting urban landscape of New York supported the cultural renaissance before gentrification Reaganomics corporate intrusion and the spread of AIDS brought this gritty and protean time and place in American culture to a troubled denouement *Love Saves the Day* Tim Lawrence,2003 Describes American dance music culture in the 1970s profiling key events musicians movements DJs and venues that defined the era

Glitter Up the Dark Sasha Geffen,2020-04-07 Why has music so often

served as an accomplice to transcendent expressions of gender Why did the query is he musical become code in the twentieth century for is he gay Why is music so inherently queer For Sasha Geffen the answers lie in part in music s intrinsic quality of subliminal expression which through paradox and contradiction allows rigid gender roles to fall away in a sensual and ambiguous exchange between performer and listener Glitter Up the Dark traces the history of this gender fluidity in pop music from the early twentieth century to the present day Starting with early blues and the Beatles and continuing with performers such as David Bowie Prince Missy Elliot and Frank Ocean Geffen explores how artists have used music fashion language and technology to break out of the confines mandated by gender essentialism and establish the voice as the primary expression of gender transgression From glam rock and punk to disco techno and hip hop music helped set the stage for today s conversations about trans rights and recognition of nonbinary and third gender identities Glitter Up the Dark takes a long look back at the path that led here

Expanding Mindscapes Erika Dyck,Chris Elcock,2023-11-21 The first collection of its kind to explore the diverse and global history of psychedelics as they appealed to several generations of researchers and thinkers Expanding Mindscapes offers a fascinatingly fluid and diverse history of psychedelics that stretches around the globe While much of the literature to date has focused on the history of these drugs in the United States and

Canada editors Erika Dyck and Chris Elcock deliberately move away from these places in this collection to reveal a longer and more global history of psychedelics which chronicles their discovery use and cultural impact in the twentieth century The authors in this collection explore everything from LSD psychotherapy in communist Czechoslovakia to the first applications of LSD 25 in South America to the intersection of modernism and ayahuasca in China Along the way they also consider how psychedelic experiments generated their own cultural expressions where the specter of the United States may have loomed large and where colonial empires exerted influence on the local reception of psychedelics in botanical and pharmaceutical pursuits Breaking new ground by adopting perspectives that are currently lacking in the historiography of psychedelics this collection adds to the burgeoning field by offering important discussions on underexplored topics such as gender agriculture parapsychology anarchism and technological innovations

Electronica, Dance and Club Music Mark J. Butler, 2017-07-05 Discos clubs and raves have been focal points for the development of new and distinctive musical and cultural practices over the past four decades This volume presents the rich array of scholarship that has sprung up in response Cutting edge perspectives from a broad range of academic disciplines reveal the complex questions provoked by this musical tradition Issues considered include aesthetics agency the body in dance movement and space composition identity including gender sexuality race and other constructs musical design place pleasure policing and moral panics production techniques such as sampling spirituality and religion sub cultural affiliations and distinctions and technology The essays are contributed by an international group of scholars and cover a geographically and culturally diverse array of musical scenes

Listening Devices Jens Gerrit Papenburg, 2023-05-04 From 1940 to 1990 new machines and devices radically changed listening to music Small and large single records new kinds of jukeboxes and loudspeaker systems not only made it possible to playback music in a different way they also evidence a fundamental transformation of music and listening itself Taking the media and machines through which listening took place during this period *Listening Devices* develops a new history of listening Although these devices were and often still are easily accessible up to now we have no concept of them To address this gap this volume proposes the term listening device In conjunction with this concept the book develops an original and fruitful method for exploring listening as a historical subject that has been increasingly organized in relation to technology Case studies of four listening devices are the points of departure for the analysis which leads the reader down

unfamiliar paths traversing the popular sound worlds of 1950s rock n roll culture and the disco and club culture of the 1970s and 1980s Despite all the characteristics specific to the different listening devices they can nevertheless be compared because of the fundamental similarities they share they model and manage listening they actively mediate between the listener and the music heard and it is this mediation that brings both listener and the music listened to into being Ultimately however the intention is that the listening devices themselves should not be heard so that the music they playback can be heard Thus they take the history of listening to its very limits and confront it with its other a history of non listening The book proposes listening device as a key concept for sound studies popular music studies musicology and media studies With this conceptual key a new productive understanding of past music and sound cultures of the pre digital era can be unlocked and not least of the listening culture of the digital present
