

The background of the entire image is a photograph of a train tunnel. A train is moving through the tunnel, creating a significant motion blur effect, particularly in the lower right quadrant where the train's lights and body are streaked. The tunnel walls are made of concrete and are visible on both sides of the tracks. The lighting is dim, with a bright light source at the end of the tunnel on the right, creating a strong perspective and highlighting the train's path.
