and luminaries of contemporary fiction from Carol Ann Duffy to Kit De Waal With its short chapters background to who the author is and with 20% of all profits going towards the campaign for a full sized statue of Virginia Woolf the first in the UK it is absolutely a book to buy read and help to highlight the creativities of women as well as inspiring other women to believe that they can also do it too Not only is every piece of work that is included different well written and informative but the way that the whole book is laid out with inspiring quotes but also beautiful illustrations from women I loved the activities that can be found at the end of the book writing workshop activities that could be used within a group in order to breakdown boundaries to help overcome the fears and misgivings of individuals who would like to become writers as well as activities to help create depth in characters I think this inclusion of interactivity as well as giving a feminist spin on fairy tales is a cleverly unique concept its absolutely one to pick up and for a worthy cause too thereadingcloset Knowledgeably compiled and deftly edited The Women Writers Handbook by Ann Sandham Commissioning Editor for Ladybird Children s Books at Penguin Random House also features an informative Foreword by Cheryl Robson the Aurora Metro Books publisher Of special note is the inclusion of a instruction article on how to operate a writing workshop a five page Resource Directory compiled by Saskia Calliste and a fun one page Quiz Informative thought provoking inspiring The Women Writers Handbook is an extraordinary unique and thoroughly reader friendly in both organization and presentation Certain to be an immediate and enduringly popular addition to personal professional community college and university library Writing Publishing collections in general The Women Writers Handbook is unreservedly recommended for Women s Fiction Literature and Writing supplemental curriculum reading lists in particular Midwest Book Review As a young woman both studying literature and harbouring dreams of becoming a writer myself it seems to me that the world of writers is a great looming circle of male literary greats Dickens Wilde Shakespeare Scott Browning the list of the most respected literary figures seems both to be endless and decidedly full of men The whole industry seems overwhelmingly male with merely a few select women being let into this strange world governed by men Although I have felt very welcomed and my voice heard in my studies and critique of literature there seems to be precious few ways for me to become a meaningful contributor to the discipline That is why it is so important that a book like this exists giving guidance like this telling stories like these and using women s voices to do so Sandham offers a helping hand to all aspiring female writers to aid them in navigating their ventures into the literary world The Handbook offers a space to women from all backgrounds to share their stories in my favourite segment Women s Voices One story that stood out to me most was told by Magda Oldziejewska in The Feminist Library Oldziejewska recounts her experience of discovering the Feminist Library an archive in London which exists to preserve the lives works and memories of many women I especially liked this piece as it shows that there does in fact exist a space for women to feel not only safe and welcomed but actively valued in the literary world A space where we can learn about the forgotten women who came before us and ensure that the great female powers of our time do not slip into the void of lost female writers The importance

of creating access points to the literary world for women is monumental and Sandham has so beautifully created another in her making of this Handbook The later segments of the Handbook Writing Workshops and Workshop Sessions give an incredible level of insight into the more finicky aspects of serious writing with guides on Developing Complex Characters to Self censorship The frank discussion provided throughout the workshop segments is an indispensable tool for any budding author looking to get real and seriously improve the quality of their writing I would recommend The Women Writers Handbook not only to women with explicit intentions to embark on their literary careers who need some support but to anyone who seeks to better understand both the struggles and triumphs of women in the world of literature

portobellobookblog What a fabulous source book full of inspirational essays short stories poems and interviews with some top female writers about the writing process feminism and the experience of female authors designed to get the juices flowing for any woman who has the hankering to write If this was not enough to make you want to grab your note book and pen and embark on a writing project then there are also writing exercises designed to stimulate the creative impulses and a directory of resources to help you on your way And quotes from some of the top women writers both contemporary and from history are spread liberally throughout the publication as encouragement If I have not already persuaded you that you need a copy of this book to hand on the writing desk you are now surely going to purchase should you not have one already perhaps it will help if you know that 20% of the profits from the sale of this book will go towards the Virginia Woolf statue campaign Sue Vine Voice Thrilled to get my hands on a copy of this updated version of The Women Writers Handbook released to celebrate the 30th anniversary of Aurora Metro books Edited by Ann Sandham a fabulous collection of poems stories and interviews from a diverse group of internationally acclaimed women Also included are the workshops from the original edition of this anthology and there is a newly updated resources list As well as being a good read with lovely black and white drawings dotted throughout it s a really useful book one I know I will return to time and time again In addition 20% of each sale is being donated to the Virginia Woolf statue campaign to go towards funding a statue of the esteemed British writer the author of pioneering essays on women s writing and the politics of power so this is very apt Daisy Hollands In aid of the Virginia Woolf Statue campaign at [www.aurorametro.org](http://www.aurorametro.org) [virginiwoolfstatue.org](http://virginiwoolfstatue.org)

**One Poem in Search of a Translator** Eugenia Loffredo, Manuela Perteghella, 2009 Translation is a journey a journey undertaken by the text hopping around the world and mischievously border crossing from one language to another from one culture to another For a translator this journey can become a truly creative engagement with the otherness of the source text an experience of self discovery leading to understanding and enrichment and ultimately towards a new text

This singular literary experiment intends to magnify the idiosyncrasy of this translational journey In the process translation reveals itself as an increasingly creative activity rather than simply a linguistic transfer This volume consists of twelve translations of one poem Les Fen tres by the French poet Apollinaire The translators embarking on this project all from different backgrounds and working contexts poets professional translators academics visual artists were asked to engage with the inherent multimodality of this poem inspired by Robert Delaunay s Les Fen tres series of paintings The result is a kaleidoscopic diversity of approaches and final products Each translation is accompanied by self reflective commentary which provides insight into the complex process and experience of translation enticing the reader to join this journey too
