Loves Me Loves Me Not The Ethics Of Unrequited Love:

Loves Me, Loves Me Not Laura Smit, 2005-11 This well researched and accessible book explores the experience of unrequited love in light of the biblical witness to God's love for humanity *Breaking the Marriage Idol* Kutter Callaway, 2018-06-26 Should all Christians be married Kutter Callaway considers why marriage which is a blessing from God shouldn't be expected or required of all Christians Through an examination of Scripture cultural analysis and personal accounts he reflects on how our narratives have limited our understanding of marriage and obscured our view of the life giving and kingdom serving roles of single people in the church **Dating and Interpersonal Relationships** Nicolae Sfetcu, 2014-05-01 An introduction to interpersonal relationship methods advice and tips for friendship dating and online dating intimate relationship love and kiss flirting seduction romance marriage and wedding Interpersonal relationships are social associations connections or affiliations between two or more people They vary in differing levels of intimacy and sharing implying the discovery or establishment of common ground and may be centered around something's shared in common The study of relationships is of concern to sociology psychology and anthropology Dating is a form of courtship consisting of social activities done by two persons with the aim of each assessing the other's suitability as a partner in an intimate relationship or as a spouse **Love, Reason, and God's Story** David Cloutier, 2008 The author of this book provides readers with a basic understanding of the history of Catholic teaching on sexual ethics particularly as it has evolved in the last half century **Living More Human(e)ly?** Rebecca Leong, 2025-04-22 Does it really matter who one chooses to marry and how one makes a choice as to who to marry or is it basically true that you always marry the wrong person Was Jane Austen right in her portrayals of couples marrying for love for comfort or for both What about arranged marriages Does the one exist How about soulmates Will getting involved in casual sex or hook up culture affect one's chances of eventually realizing happy lifelong monogamy Are promoters of purity culture basically right that their approach will help lead to happy lasting marriages Can there be a way forward through the culture wars Are dating apps any good Virtue ethics is sometimes drawn upon for a dependable approach to couple relationships But what does this approach consist of and which virtues as there are potentially very many should one focus on particularly when navigating dating culture in contemporary contexts What light might theology history and the human sciences including sociology and psychology shed on these matters Rebecca Leong offers findings from wide ranging interdisciplinary studies that address these questions and more in the process developing a five fold ethic and further building blocks for better approaches to dating in contemporary contexts *Love , Transforming the Struggles of Tamars* Lina Andronoviene, 2014-05-29 This book explores the unprecedented challenge of involuntary singleness for women and the implications of disregarding this challenge for the Christian and particularly baptistic communities of faith It argues that these communities not only fail involuntarily single women but also in so doing suffer a serious detriment to their own communal health and Christian witness Taking the challenge of involuntary singleness

as a test case this book explores the method of convictional theology and argues for a holistic framework that can draw together the personal communal and visionary spheres of human existence Although primarily a work of theological ethics it also draws from a number of different disciplines including cultural studies and sociology as well as intersections of science and theology Australian Evangelical Perspectives on Youth Ministry Ruth Lukabyo,2023-12-06 This book is a unique contribution to the study of children s and youth ministry displaying the rich theological thinking that is developing amongst Australian evangelical scholars Many of the writers have previously presented at the Youthworks House conference which promotes theological reflection for best practice in youth and children s ministry in a community of youth and children s ministers The themes explored in this book are vitally important to pastors seeking to nurture young people as disciples of Jesus Thirteen evangelical scholars answer questions such as How can biblical theology shape a young person s view of themselves What is the biblical definition of church and how does this shape our understanding of intergenerational gatherings family and community How should young Christians interact with the culture around them And how do biblical teachings on sin grace and wisdom provide young people with the resources to live in today s world You will be challenged to reconsider how theology and exegetical study of the Bible can mold your priorities principles and presumptions as you exercise ministry to and with young people Singleness and the Church Jana Marguerite Bennett,2017-07-21 Singleness is a much overlooked treasure in Christian tradition In these pages Christians single and married alike can rediscover the richness of singleness in its great variety This book offers thought provoking cultural and theological analysis along with voices of single Christian people down through the centuries *The Beauty of God* Daniel J. Treier,Mark Husbands,Roger Lundin,2007-05-18 Editors Mark Husbands Roger Lundin and Daniel J Treier present ten essays that explore a Christian approach to beauty and the arts The visual arts music and literature are considered as well as the theological meaning and place of the arts in a fallen world redeemed by Christ **Sweet Surrender** Dennis Hiebert,2013-07-09 Every culture has a way of perceiving and practicing marriage Many contemporary Western Christians mistake what their culture prescribes regarding marriage with what the Bible portrays and thereby take as biblical what is merely cultural Uncritical conformity to cultural imperatives of marriage then becomes a Christian virtue and a sweet surrender Few recognize much less question this confusion even when its consequences are unhealthy In Sweet Surrender Dennis Hiebert challenges Christians to comprehend what is cultural in their view of marriage hold as optional what is not explicitly required by the Bible and live out their marriages within the transcendent grace of God Gaining greater awareness can free marriages from the control of culture for something more simply but deeply Christian Marriages benefit when they are released from cultural directives that are not biblical callings even if they choose to retain them as cultural practices This book is for Christians who are ready to rethink their assumptions about marriage **Sex on Earth as It Is in Heaven** Patricia Beattie Jung,2016-12-28 This work is part of a growing chorus of theological voices raised in support of erotic desire Although most theologians have

concluded that there will be no experience of sexual desire and delight in the world to come Patricia Beattie Jung critically examines the historical traditions and biblical rationales for this teaching She defends an alternative claim that there will be a healed and glorified experience of sex in heaven based on a compelling account of the Christian hope for bodily resurrection The first half of the work focuses on Christian foundations for the notion of sex in heaven while the second goes on to discuss some of the implications of those convictions for sex on earth Jung concludes with discussions of how best to nurture sexual delight on earth and how and why internet pornography fails in that regard
