Taming of the shrew* William Shakespeare, 1881 *The Works of Shakespeare: Love's labour's lost* William Shakespeare, 1923 *Love's Labours Lost* William Shakespeare, 1969 John Dover Wilson s New Shakespeare published

between 1921 and 1966 became the classic Cambridge edition of Shakespeare's plays and poems until the 1980s. The series long since out of print is now reissued. Each work is available both individually and as a set and each contains a lengthy and lively introduction, main text and substantial notes and glossary printed at the back. The edition which began with *The Tempest* and ended with *The Sonnets* put into practice the techniques and theories that had evolved under the New Bibliography. Remarkably by today's standards although it took the best part of half a century to produce the New Shakespeare involved only a small band of editors besides Dover Wilson himself. As the volumes took shape many of Dover Wilson's textual methods acquired general acceptance and became an established part of later editorial practice for example in the Arden and New Cambridge Shakespeares.

Comedies: *The merchant of Venice. Love's labour's lost. As you like it. The taming of the shrew. All's well that end's well. Twelfth night: or, What you will. The winter's tale* William Shakespeare, 1745

*The Lost Medallion* Bryan M. Powell, 2017-03-17

*The Lost Medallion* Beneath the Hill of Endor is a Temple. Inside the Temple is a Chamber. Inside the Chamber is a door. Behind the door the abyss. And the key to the door is the witch's medallion. Former sheriff Randy Baker steals the witch's medallion. Using the Book of Incantations he summons the powers of darkness to open a passage which takes him in search of the Temple of Endor in Israel. His intentions to use the medallion to unlock the door to the abyss and unleash legions of evil spirits. Knowing they only have days to stop the former sheriff the three wise men follow him. Unbeknownst to them Colt O Dell stows away in the cargo hold of their flight. Once in Israel the four of them race into action but quickly find themselves caught in a desperate battle for their lives. Top selling author Bryan M Powell adds yet another gripping novel to his impressive list of Christian Fantasy spell binders. He once again peels back the veil and gives his readers a glimpse at the spiritual war being waged over the souls of men. Using tragedy in the lives of his characters to demonstrate the power of faith and forgiveness he skillfully weaves a captivating tale that builds to a breathtaking climax. If you liked Frank Peretti's *This Present Darkness* and *Piercing the Darkness* you will love *The Lost Medallion*.

**Love's Labour's Lost (Annotated with Biography and Critical Essay)** William Shakespeare, 2013-11-07

*Love's Labour's Lost* is generally considered one of the few plays that Shakespeare created and did not mine other sources for inspiration. It is a comedy and a farce and has a rather inconclusive ending. The action begins with the Ferdinand the king of Navarre and three of his lord companions Biron, Longueville and Dumaine taking an oath to devote themselves to study. They intend of taking off three years to do this at the same time they were abstain from the company of women and other forms of excess. Ferdinand wants to make Navarre the academic capital of the world. He has forgotten however that the daughter of the King of France is about to visit and soon she shows up. She tells Ferdinand that she will repay the loan that her father owes Navarre but he indignantly protests that the French King is falling short on the amount he must pay Ferdinand. This annotated edition includes a biography and critical essay.
