Body Strong Kettlebell Blitz

Body Strong, 2008-12-30

The Body Strong Kettlebell Blitz Beginner Program was developed by Paul and Robyn Bova to help introduce people to Kettlebells. There is a lot of information in books and on the internet about training with Kettlebells. However, we believe that our program will properly introduce those new to Kettlebells with a foundation that will reduce the risk of injury. Our Beginner program, which we use with all of our new clients, develops the platform necessary to advance to more difficult routines. We have specifically chosen ten exercises which we feel build the foundation for Kettlebell training. All of our programs are designed around being short and intense, hence naming the program Blitz. Our Beginner program is twenty-five minutes, including the rest periods, and we guarantee that it will be one of the toughest workouts you have ever done. The Body Strong Kettlebell Blitz Beginner program was designed to get your heart rate up quickly and keep it up throughout the entire routine. We hope you enjoy our book and your journey with Kettlebells.

KETTLEBELL'S SECRET FILES - BOOK 1

Jerónimo Milo, The Kettlebell's Secret Files is without a doubt the most complete and detailed textbook about the origin, development, and evolution of kettlebell training. I consider it one of the largest and most exhaustive projects that I have carried out in my life as an author, and the amount of information is such that I was forced to separate it into 2 volumes.

CONTENTS OF VOLUME 1 1700-1918

In the first volume, containing more than 200 pages, you will find:

- EXCERPTS FROM 12 ORIGINAL TRAINING MANUALS**: Analysis of the chapters dedicated to kettlebell training. Some of them translated to English for the very first time.
- TRAINING ROUTINES**: designed with the style and exercises used in each time period.
- The definitive **TIMELINE** to understand the origins of the Kettlebell.
- MASTERS OF STRENGTH**: Historical reviews about the most important figures in the history of kettlebell training.
- A **SPECIAL CHAPTER**
