only preview *The Return of Christ* Robin Corner,2022-02-03 At the time of writing covid 19 is raging around the world
and fears of global warming war economic collapse and famine are widespread But is it possible that these things are signs of
the long awaited return of Jesus Christ as prophesied in the Bible For the first time in history the Christian Gospel is being
taught in every nation on earth Large numbers of people are becoming Christians in India China other parts of Asia Africa
and South America even as in traditionally Christian countries many are leaving the church And if Christ returns as promised
what will that look like What will be happening on earth Robin was aware of many theories so decided to research the issue
himself initially just by reading what the Bible has to say on it In this book he looks at beliefs held over the centuries He
examines the scriptures and draws some surprising answers from many often overlooked simple passages If you are new to
this topic you will find the book fascinating And if you have studied it for years be prepared to be surprised and challenged
