Prophetic Tradition and Radical Rhetoric in America James Darsey,1999-09 This expansive volume traces the rhetoric of reform across American history examining such pivotal periods as the American Revolution slavery McCarthyism and today s gay liberation movement At a time when social movements led by religious leaders from Louis Farrakhan to Pat Buchanan are playing a central role in American politics James Darsey connects this radical tradition with its prophetic roots Public discourse in the West is derived from the Greek principles of civility diplomacy compromise and negotiation On this model radical speech is often taken to be a symptom of social disorder Not so contends Darsey who argues that the rhetoric of reform in America represents the continuation of a tradition separate from the commonly accepted principles of the Greeks Though the links have gone unrecognized the American radical tradition stems not from Aristotle he maintains but from the prophets of the Hebrew Bible

*Lord, Help My Unbelief* Michael Rogness,2009-01-01 The secular scientific world challenges faith in many ways Many people have left the Christian church in disappointment Yet in the midst of this complicated world many people feel a deep hunger for spiritual depth and experience Where does faith come from How does a person get faith How can doubts be surmounted How does a person experience the presence of God in daily life After countless conversations with persons searching for faith the author summarizes the questions people have about faith and the church Faith is part of everyday life and not an opposite of science He proposes ways to experience the living presence of God in their lives Faith is not simply believing in creeds It is a trust which results in vibrant living

**The Last Words from the Cross** William Powell Tuck, 2013-02-14 The Cross The central symbol of the Christian faith Can a church be an authentic Church and not focus on the cross William Powell Tuck began answering that question in his book *The Church Under the Cross* and now he leads us into the second part of his answer in his new book *The Last Words from the Cross* The words of our Lord on the cross have become very memorable These words of Jesus have been designated as the seven last words They are of course more than individual words They are really sentences or fragments of sentences One of these seven words is found in the Gospels of Matthew and Mark Three of them are found in the Gospel of Luke and three are recorded in John No one gospel contains all of them But to me that is a way of authenticating the gospels Each writer drew on what he remembered or considered most important in those moments or what he had heard from others who shared their experiences says Tuck A study of these words gives us His disciples a deeper insight into Jesus thoughts through suffering facing death and what His death meant to Him as He met our need for salvation Rev Tuck further says These words reveal his personal agony his concern for others his forgiving spirit his physical suffering his ultimate trust and faithfulness in the One he had proclaimed Even in his moments of forsakenness he still resisted the temptation to turn away ultimately from God's will or deny the One who led him to this shameful death as he identifies with sinners This book is an ideal study for Lent or at any time for a church that would like to better understand taking up their cross And what church can't benefit from that
