Homeless and Out of Business* K.D. Sanders, 2015-10-31 *Where Did My Life Go Homeless and Out of Business* is by far one of the most raw powerful and engaging reads that I've come across in a long long time Author K D Sanders offers readers a very personal and unaltered look into his life thoughts and feelings as he underwent some very rough times as a homeless man while experiencing that many of us will never even come close to in our ordinary lives I say this and the book may seem quite gloomy at first but I also would say there's another side to it I interpret the book as having a sort of theme about personal redemption and keeping headstrong even through all the bad things that life can throw at you The author manages to keep

his spirits high even while dealing with unfortunate circumstances and for that I admire his courage As well as this the text is written in a way that flows nicely due to a relatively relaxed undertone and there are plenty of general musings about the author s opinion on homeless life in general that I found to be very thought provoking and even sobering at times Overall I enjoyed the read and I found it to be honestly quite refreshingly new compared to what I ve been coming across these days Definitely worth checking out Amazon Review *What If It All Goes Right?* Mendhi Audlin,2010-12-07 A simple and powerful guide to turning tantalizing possibilities into tangible realities Will Bowen bestselling author of A Complaint Free World What if you could Achieve greater financial success despite the reality of a struggling economy Improve your physical health and well being despite the reality of a medical diagnosis Manifest your ideal romantic partner despite the reality of prior relationship disappointments With more than ten years of real world application in colleges businesses churches and beyond world renowned spiritual advisor Mindy Audlin shares the life changing strategy that will elevate your mindset and put you on course for a brighter tomorrow regardless of your current circumstances You can fill your life with peace and beauty despite headlines about violence and environmental degradation and impact the world in a way that fulfills your purpose and passion You ll master the essential skills for thriving in today s rapidly changing society the imagination to quickly identify innovative solutions for unprecedented challenges and the wisdom to bring these ideas to fruition through inspired action When you are ready to get unstuck stop spinning your wheels and step off the treadmill of counterproductive actions What If It All Goes Right shows you the way Discover step by step how to bring peace prosperity and possibility into every area of your life one thought at a time So many useful concepts into such an easy to use and understand tool Jon Biel founder of the Make the Difference Network
