Matisse Vence The Chapel Of The Rosary:

Matisse. Vence Marie-Thérèse Pulvenis de Seligny, 2013-12-10 Considered one of the most important religious structures of the twentieth century the Chapel of the Rosary in Venice was regarded by Matisse himself as his greatest masterpiece He dedicated four years to the creation of this convent chapel on the French Riviera and the result is one of the most remarkable and comprehensive ensemble pieces of twentieth century art Every element of the chapel bears the artist's touch from the vivid Mediterranean hues of the stained glass windows to the starkly powerful murals even the vestments and altar were designed by Matisse This beautifully illustrated volume captures the chapel in exquisite detail allowing an unparalleled view of this iconic sacred space With stunning new photography that captures the dramatic effects of the changing light in the building throughout the day this book is the first to present the experience of being within the chapel exactly as Matisse himself envisaged it Marie Therese Pulvenis de Seligny's authoritative and insightful text explores the extraordinary story of the chapel's creation and the challenges faced by the 77 year old artist in realising his incredible vision

AUTHOR Marie Therese Pulvenis de Seligny has been curator of the Musee Matisse since 1997 She has organised numerous exhibitions and writes extensively on the artist 200 colour *Henri Matisse*, [The Spiritual Adventure of Henri Matisse](#)

Charles Miller, 2024-02-29 Henri Matisse described the Chapel of the Rosary the chief labour of his final years as the gathering together of his lifetime's work Although widely known as Matisse's Chapel the building's remarkable modern design and decoration emerged from a surprising friendship and artistic engagement with a group of Dominican sisters and brothers keen to see the Church embrace Modern Art and modern artists With the advantage of hitherto unexplored archive and printed materials this study highlights that mutual encounter and explores how their shared artistic adventure became for Matisse himself an opportunity to express his religious vision of art and to rediscover his natal Catholic Faith in its post war avant garde form
