Strength & Durability

A clear demonstration of Kenwood's high standards of design, manufacturing and quality assurance is the fact that our facilities are ISO-9001 certified. Reliability is built into every one of our products from the component level up. So when it comes to choosing the communications equipment on which your business must depend, you can rely on the "Kenwood" brand.

Vertical Layered Design

In a fresh departure from the conventional stacked design, the battery pack forms the entire back of the unit and the transceiver components from the front. This approach results in a stronger chassis and a single PCB, and improves the overall styling and appearance of the radio.
