Masters And Slayers Tales Of Starlight Book 1:

Masters & Slayers Bryan Davis, 2023-01-15 Expert swordsman Adrian Masters attempts a dangerous journey to another world to rescue human captives who have been enslaved there by dragons He is accompanied by Marcelle a sword maiden of amazing skill whose ideas about how the operation should be carried out conflict with his own Since the slaves have been in bonds for generations they have no memory of their origins making them reluctant to believe the two would be rescuers and of course the dragons will crush any attempt to emancipate the slaves Set on two worlds separated by a mystical portal Masters and Slayers is packed with action Third Starlighter Bryan Davis, 2023-01-19 In this second book of the Tales of Starlight series Adrian Masters journeys into the wilderness of the dragon planet of Starlight in search of his brother Frederick Carrying the comatose body of Marcelle he has to find medical help for her but the slave master dragons will kill him on sight if he comes out of hiding Adrian believes Frederick has set up a wilderness refuge for escaped slaves so he hopes to join Frederick and devise a plan to rescue the humans enslaved on Starlight Since Adrian cannot leave Marcelle alone her nearly lifeless body becomes an anchor both physically and emotionally as he has to decide to care for her or attempt to rescue the slaves Adrian has no idea that Marcelle's spirit has left her body and has traveled to their home planet in search of military help to rescue the slaves She is able to materialize there in a temporary body that looks corpselike and feels icy cold Because of her appearance Governor Orion persecutes her as a sorceress and sentences her to burn at the stake This sequel to Masters Slayers is filled with excitement twists and turns and thought provoking dilemmas which will MASTERS & SLAYERS (TALES OF ST Bryan Davis, 2010-09 The planet Starlight is keep readers turning the pages controlled by dragons Because of the depletion in their atmosphere of an essential gas pheterone they must search for a way to survive They know that a network of gas veins exists deep beneath the crust of their planet but being dragons they are not skilled with ways to drill One dragon Magnar finds humans on another planet he calls Darksphere captures several of them and forces them to drill through Starlight's crust in order to release the gas A man escapes and returns to the planet of humans He tells everyone about the missing people they call the Lost Ones and how they went through a portal to a dragon planet Since the portal doesn't always work he is unable to prove his story and nearly everyone thinks he is crazy or maybe he murdered the others A few believe his story and form a group called the Underground Gateway which refers to the portal Unfortunately the escapee s son is imprisoned and becomes inaccessible so the Gateway has to try to piece together information as they secretly search for the portal After many unsuccessful years they are considered by most to be nothing more than crackpot conspiracy theorists One hundred years after the initial enslavement Adrian Masters a 24 year old expert swordsman sets out on a journey to find the portal to the dragon planet He is accompanied by Marcelle a sword maiden of amazing skill whose ideas about how the operation should be carried out conflict with his own Adrian believes in using stealth and cunning to free the slaves while Marcelle opts to take a more direct approach This causes friction between these

two warriors though they respect each other s skills highly When Adrian and Marcelle find the slaves they learn that these longsuffering people have no memory of their origins making them reluctant to believe the two would be rescuers especially since the dragons crush any opposition to their cruel tyranny Undeterred by the overwhelming obstacles the two warriors set out to free the slaves and face mortal danger at every turn As they battle dragons endure torture and dispel superstition they learn that an ultimate sacrifice is the only way they can bring liberty to the oppressed Exodus Rising Bryan Davis, 2023-01-19 In this third book of the Tales of Starlight series Adrian Masters continues his relentless march toward the bitterly cold Northlands of Starlight Ravaged by a deadly disease and accompanied by two children Adrian carries Marcelle in a vegetative state hoping Alaph king of the Northlands will supply a way to reunite her near death body with her wandering spirit Time is of the essence Invading soldiers from Major Four are marching toward the Southlands village to do battle against the dragon slave masters but two great dangers await the inescapable disease and the unpredictable Benefile ageless and mysterious white dragons who will kill any infected humans All the while Drexel the murderer of Marcelle s mother has taken on an impervious disguise as a male Starlighter and is using hypnotic powers to gain control of Mesolantrum with his sights set on the entire kingdom Adrian and Marcelle must battle to free the slaves on one world and protect their own world from Drexel's malevolent plan or else the freed slaves will return to Major Four only to find another slave master Performing both tasks seems impossible Time Echoes Bryan Davis, 2023-01-19 Sixteen year old Nathan Shepherd has a great life traveling where the careers of his father an investigator and mother a renowned violinist take him until his parents are found murdered Left with only a mirror and notes from his father's last case Nathan goes into hiding at the remote country home of Tony his father's college buddy and Tony's teenage daughter Kelly The mysterious mirror must be a clue to what happened to his parents and when images appear in it people and things that don't exist Nathan and Kelly painstakingly gather evidence But the killers want the mirror too and danger threatens the teens at every turn As it becomes evident that Nathan's father had stumbled upon dark forces at work in the world several questions arise Could it be that the mirror is a portal to a parallel world Could this technology be used for evil purposes And could his parents still be alive trapped in another world Nathan and Kelly struggle to solve the mystery while trying to avoid becoming victims themselves This chilling hair raising adventure is jam packed with action in a fantastical world where nothing is as it seems and even **Books in Print Supplement** ,2002 The Writers Directory ,2013 mirrors tell lies Starlight Book 1 Eric I Shepherd, 2024-11-07 Synopsis Derrick is a young wizard entrusted with managing the Cross Bone Gate Prison and leading his new companions in the early years of the What's Behind the Looking Glass series However they soon discover that they are up against dark forces known as the Night Walkers or Shadow People attempting to manipulate the Moon Goddess an oracle of great power before she awakens and realizes her true potential The Moon Goddess and her new friends are set up on a quest to locate the Five Keys of Destiny which the Gods of all realms have concealed These are formidable artifacts that
