Masters And Slayers Tales Of Starlight Book 1:

Masters & Slayers Bryan Davis, 2023-01-15 Expert swordsman Adrian Masters attempts a dangerous journey to another world to rescue human captives who have been enslaved there by dragons. He is accompanied by Marcelle, a sword maiden of amazing skill whose ideas about how the operation should be carried out conflict with his own. Since the slaves have been in bonds for generations, they have no memory of their origins, making them reluctant to believe the two would be rescuers, and of course the dragons will crush any attempt to emancipate the slaves. Set on two worlds separated by a mystical portal, *Masters and Slayers* is packed with action. *Third Starlighter* Bryan Davis, 2023-01-19

In this second book of the *Tales of Starlight* series, Adrian Masters journeys into the wilderness of the dragon planet of Starlight in search of his brother Frederick. Carrying the comatose body of Marcelle, he has to find medical help for her, but the slave master dragons will kill him on sight if he comes out of hiding. Adrian believes Frederick has set up a wilderness refuge for escaped slaves, so he hopes to join Frederick and devise a plan to rescue the humans enslaved on Starlight. Since Adrian cannot leave Marcelle alone, her nearly lifeless body becomes an anchor both physically and emotionally as he has to decide to care for her or attempt to rescue the slaves. Adrian has no idea that Marcelle's spirit has left her body and has traveled to their home planet in search of military help to rescue the slaves. She is able to materialize there in a temporary body that looks corpse-like and feels icy cold. Because of her appearance, Governor Orion persecutes her as a sorceress and sentences her to burn at the stake. This sequel to *Masters Slayers* is filled with excitement, twists and turns, and thought-provoking dilemmas which will keep readers turning the pages. MASTERS & SLAYERS (TALES OF ST Bryan Davis, 2010-09

The planet Starlight is controlled by dragons. Because of the depletion in their atmosphere of an essential gas, pheterone, they must search for a way to survive. They know that a network of gas veins exists deep beneath the crust of their planet, but being dragons, they are not skilled with ways to drill. One dragon, Magnar, finds humans on another planet; he calls Darksphere captures several of them and forces them to drill through Starlight's crust in order to release the gas. A man escapes and returns to the planet of humans. He tells everyone about the missing people they call the Lost Ones and how they went through a portal to a dragon planet. Since the portal doesn't always work, he is unable to prove his story, and nearly everyone thinks he is crazy or maybe he murdered the others. A few believe his story and form a group called the Underground Gateway, which refers to the portal. Unfortunately, the escapee's son is imprisoned and becomes inaccessible, so the Gateway has to try to piece together information as they secretly search for the portal. After many unsuccessful years, they are considered by most to be nothing more than crackpot conspiracy theorists. One hundred years after the initial enslavement, Adrian Masters, a 24-year-old expert swordsman, sets out on a journey to find the portal to the dragon planet. He is accompanied by Marcelle, a sword maiden of amazing skill whose ideas about how the operation should be carried out conflict with his own. Adrian believes in using stealth and cunning to free the slaves, while Marcelle opts to take a more direct approach. This causes friction between these

two warriors though they respect each other's skills highly When Adrian and Marcelle find the slaves they learn that these long-suffering people have no memory of their origins making them reluctant to believe the two would be rescuers especially since the dragons crush any opposition to their cruel tyranny Undeterred by the overwhelming obstacles the two warriors set out to free the slaves and face mortal danger at every turn As they battle dragons endure torture and dispel superstition they learn that an ultimate sacrifice is the only way they can bring liberty to the oppressed *Exodus Rising* Bryan
