

A detailed botanical illustration featuring several types of cacti and succulents. The central focus is a large, dark green, ribbed cactus segment with numerous sharp, light-colored spines. To its left is a smaller, red, ribbed cactus segment. Above the central segment are two yellow flowers with multiple petals and prominent stamens. To the right is another yellow flower. Below the central segment is a green, ribbed cactus segment with a star-shaped arrangement of spines. The background is a light, neutral color. A yellow vertical bar is on the far left. A central text box with a decorative border contains the title and volume information.
