The Alpha's Curvy Match Alex Anders, 2014-11-12

The Sheikh was used to having everything his way. His associates were rich and his women were thin and easy. He was the gorgeously built heir of royalty. He didn't see why he shouldn't get what he wanted. Jenny, on the other hand, lived in the real world. She was curvy, quick-witted, and struggling to pay for college. She thought it would be a fun escape to go with her roommate to a Sheikh's party, but she had never met the Sheikh. When they met, the sparks flew immediately. The Sheikh had mistaken Jenny for one of his airheads, and Jenny had to give him a quick introduction to what a real woman is like. He didn't like that so much. Their time together would have been brief if it wasn't for one thing: the Sheikh was a wolf shifter, and as a wolf, he had scratched Jenny. That presented a problem for the Sheikh. In order to keep his secret, his royal family made his victims disappear. The Sheikh didn't like Jenny, but he didn't want that. So, coming up with a compromise, he decides to watch Jenny to see if his scratch would turn her into a wolf. And, offering her a high-paying job that she can't refuse, he keeps her close enough to figure out if the virginal Jenny would have to die. Will Jenny turn into a wolf on the next full moon? Will the Sheikh let her die if she does? And will the two stop fighting with each other long enough to realize that they might be each other's perfect match? The clock is ticking for them to find out.

Her primary responsibility is to see the bad guy ends up behind bars. Scratching her mating itch and screaming Brett's name as she comes. That isn't anywhere on her list of to-dos. What she doesn't realize is her werelion mate's primary responsibility is ensuring her safety from the bad guy and making her scream his name.
