

INSTRUCTION GUIDE FOR SUMMER AND FALL 2022 PLACEMENT

What is ALEKS Math Placement?

Math placement will be processed according to 1) scores, 2) scores, 3) credit transfer credits, and 4) equivalent course completion. If a student does not have any offerings in credit for the mathematics course they wish to enroll in, their scores on either Placement Preparation or placement test will be used to determine placement. ALEKS Math is a web-based program that uses artificial intelligence to map a student's strengths and weaknesses. The Placement Preparation is up to 25 questions and generally takes 30-45 minutes to complete. After the Placement Assessment, an individualized three-week learning module is created for students to enhance their knowledge on topics they need. Students then have the opportunity to reassess and improve their placement.

The Placement Office's goals:

- All legal placement are appropriately placed and not placed.
- The Prep and Learning Modules are utilized, with good usage rates.
- Increased student Placement Assessment success.

Getting Started

1. Register via <https://www.alexshelp.com> using your student ID number.
2. Follow the steps outlined in the manual.
3. Click the "Mathematics" link.
4. Register for the course (placement test) and register for the course (placement test).
5. If you are already registered, click the "Mathematics" link.
6. If you are not registered, click the "Mathematics" link.
7. Answer the questions. The questions are based on your placement test results.
8. Complete the module.
9. Return to the course.

*** If this is your first attempt, you will be taking your Initial Assessment within three weeks of your placement. The Initial Assessment is meant to be a way for you to get familiar with the program and the program. You will be able to see your placement results. If you are already in the program, you will be taking your placement test. If you are already in the program, you will be taking your placement test.
