**Indie Publishing** Ellen Lupton, 2008-12-23 Indie Publishing's special focus on the visual design of books makes it unique among publish it yourself manuals. Readers are taken step by step through the process of designing a book to give it personal style as well as visual coherence and authority. Design principles such as scale, cropping, pacing, and typography are explored in relation to each example along with commentary on how to create effective title pages, tables of contents, captions, and more. The book aims to inspire readers with examples of print projects similar to those they might undertake on their own. Sample designs include a picture book, artist's portfolio, exhibition catalog, poetry chapbook, novel, and zine. Indie Publishing addresses the important business aspects of independent publishing from how and why you should get an ISBN number to creating promotional materials and using the internet to market your book. This comprehensive illustrated guide concludes with a curated portfolio of the most exciting examples of independent publishing from the contemporary scene reproduced in full color.

**Thinking with Type** Ellen Lupton, 2014-04-15 Thinking with Type is to typography what Stephen Hawking's A Brief History of Time is to physics. I Love Typography. The best-selling Thinking with Type in a revised and expanded second edition. Thinking with Type is the definitive guide to using typography in visual communication. Ellen Lupton provides clear and focused guidance on how letters, words, and paragraphs should be aligned, spaced, ordered, and shaped. The book covers all typography essentials from typefaces and type families to kerning and tracking to using a grid. Visual examples show how to be inventive within systems of typographic form including what the rules are and how to break them. This revised edition includes forty-eight pages of new content with the latest information on style sheets for print and the web, the use of ornaments and captions, lining and non-lining numerals, the use of small caps and enlarged capitals, mixing typefaces, font formats, and font licensing. Plus new eye-opening demonstrations of basic typography design with letters, helpful exercises, and dozens of additional illustrations. Thinking with Type is the typography book for everyone: designers, writers, editors, students, and anyone else who works with words. If you love font and lettering books, Ellen Lupton's guide reveals the way typefaces are constructed and how to use them most effectively. Fans of Thinking with Type will love Ellen Lupton's new book *Extra Bold: A Feminist, Inclusive, Anti-racist, Nonbinary Field Guide for Graphic Designers*. *Thinking with Type* Ellen
