## **Gray Wolves And White Doves:**

Gray Wolves and White Doves John D. Balian, 2011 In a remote Turkish village young Hanna's days are filled with merry adventures fueled by his father's tales of wonder and heroism. Meanwhile his nights are spent in frightful vigil with his mother as squads of brigands stalk the village defended by only his father and fellow villagers. Despite this precarious existence Hanna can imagine no other home until an unimaginable tragedy strikes and life as he knows it abruptly ends. As his family splinters apart Hanna is thrust into an odyssey of lurking dangers, dashed hopes and thwarted ambitions. He finds refuge in a seminary in Jerusalem where now known as Jonah he can cherish his heritage and new identity. Yet this sanctuary is also snatched away when Jonah finds himself caught in the crossfire of the Holy City's unholy wars. Banished back to Istanbul, Jonah narrowly escapes a campaign of purges by the feared Turkish secret service. Resorting to a fugitive subsistence in foreign lands, a despondent Jonah is recruited by his former rival to join a clandestine group. With the specter of a hellish existence in a Turkish prison as a constant threat, Jonah must choose between abandoning his principles to carry out a barbaric mission to exact revenge or find a new path to pursue an improbable dream in the New World. Steeped in ancient rituals, Middle Eastern traditions and modern intrigue, *Gray Wolves and White Doves* is a unique, captivating story of a child's search for self amid rekindled feuds and the turmoil of a changing world. *Rapid Retooling* Antoine

Gerschel, Lawrence Polsky, 2013-05-21 Organizational and individual change is constant; it's not a race to the finish line. *Rapid Retooling* explains that organizational change is a cyclical process and shows readers how to constantly and rapidly adapt or retool themselves, their employees and their organization's business models to keep pace with technology and economic events. By implementing the strategies and tools presented in the book, readers will forge a workplace culture that is flexible, resilient and aware of events that affect its business. This awareness will allow for faster, more efficient and more cost-effective change initiatives. You will learn how to build employees' business acumen, thereby increasing their ability to spot opportunities for driving revenue as well as potential organizational threats. Create a culture that encourages innovation. Link your organization's business goals to employees' personal goals, increasing their engagement with and dedication to their work.
