

The Great Debaters: Viewing Guide

Inspired by a true story, *The Great Debaters* chronicles the journey of Professor Melvin Tolson, a brilliant but volatile debate team coach who uses the power of words to shape a group of underdog students from a small African American college in the deep south into a historically elite debate team. A controversial figure, Professor Tolson challenged the social mores of the time and was under constant fire for his unconventional and ferocious teaching methods as well as his radical political views.
