How To Watch Television Ethan Thompson, Jason Mittell, 2013-09-16 Examines social and cultural phenomena through the lens of different television shows We all have opinions about the television shows we watch but television criticism is about much more than simply evaluating the merits of a particular show and deeming it good or bad Rather criticism uses the close examination of a television program to explore that program's cultural significance creative strategies and its place in a broader social context How to Watch Television brings together forty original essays from today's leading scholars on television culture writing about the programs they care and think the most about Each essay focuses on a particular television show demonstrating one way to read the program and through it our

media culture The essays model how to practice media criticism in accessible language providing critical insights through analysis suggesting a way of looking at TV that students and interested viewers might emulate The contributors discuss a wide range of television programs past and present covering many formats and genres spanning fiction and non fiction broadcast and cable providing a broad representation of the programs that are likely to be covered in a media studies course While the book primarily focuses on American television important programs with international origins and transnational circulation are also covered Addressing television series from the medium s earliest days to contemporary online transformations of television How to Watch Television is designed to engender classroom discussion among television critics of all backgrounds

Amazing Pace Paul McMullen, 2006-08-08 A vibrant portrait of American swimmer Michael Phelps the dominant athlete at the 2004 Olympics who has relentlessly pushed himself promoted his sport and appears poised to ultimately accumulate the most gold medals in Olympic history Before he was old enough to have a driver s license Michael Phelps had a world record Before he ever took a college class or turned 20 he had earned distinction by winning 8 medals 6 gold and 2 bronze at the Athens Olympics the most in non boycotted Games Along the way he captivated an American television audience and confounded the critics who questioned his ambition *Amazing Pace* provides the most revealing look yet at a young man who became a world class athlete before he had the chance to grow up by respected Baltimore Sun journalist Paul McMullen who followed Phelps s rise from an obscure 14 year old to the most scrutinized competitor at the world s biggest sporting event details the plotting of his career from turning professional at age 16 to the management of the first crises he encountered Paul McMullen s 5 years of observation add dramatic context to the life of a young athlete whose rise to prominence coincided with the tumult of the first Summer Olympics after 9 11 No Olympian has ever earned 10 gold medals in a career but Michael Phelps is on pace to achieve that milestone at the 2008 Games in Beijing China

Popular Science, 1964-04 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better

Collier's, 1911 *Amazing Stories*, 1927 Kelly Holmes Kelly Holmes, 2011-05-31 Kelly Holmes made history when she brought home double gold in the 2004 Olympics becoming a national hero She won Sports Personality of the Year was given a Damehood fully backed London s successful 2012 Olympic bid and became a superstar on the red carpet as well as a much acclaimed and consulted professional in the sporting world Now in her staggeringly honest updated autobiography she reveals the times she fought back tears to battle against injury and win gold plus the emotional decision she made to retire from athletics Including details of her unsettled childhood trials in the army and a struggle with self harm Kelly s amazing determination carries through to make this inspirational and powerful autobiography a tale of triumph over adversity and a model for readers of all ages and backgrounds
