The Great Tale of Prophet Adam & Prophet Jesus in Islam Muham Sakura Dragon,2015-12-16 Prophet Adam is believed to have been the first human being and the first prophet on Earth in Islam Adam's role as the father of the human race is looked upon by Muslims with reverence Muslims also refer to his wife Lady Eve Hawwa as the mother of mankind Muslims see Adam as the first Muslim as the Qur'an promulgates that all the prophets preached the same faith of submission to God His story is told in the Qur'an in numerous places though his Qur'anic narrative differs from that in the Torah in some aspects Sunni hadith say that while Adam was sleeping God took a rib from him and from it He created Lady Eve Hawwa however while the creation of Adam and Eve is referred to in the Qur'an the exact method of creation is not specified The Qur'an then says that God commanded that Adam and Eve Hawwa not eat from one tree in heaven but Iblis Satan Lucifer from jinn race was able to convince them to taste it They then began to cover themselves because they now knew that their body parts were uncovered For this God banished Adam and Eve to earth Non canonical Sunni hadith also say that Adam and Eve were cast down far apart so that they had to search for each other In Islamic theology it is not believed that Adam's sin is carried by all of his children Hadith say that once Adam was on earth God taught him how to plant seeds and bake bread This was to become the way of all of Adam's children Adam proceeded to live for about 1000 years Prophet Isa or Jesus in the New Testament is considered to be a Messenger of God and al Masih the Messiah in Islam who was sent to guide the Children of Israel bani israil with a new scripture al Injil the Gospel The belief that Jesus is a prophet is required in Islam This is reflected in the fact that he is clearly a significant figure in the Quran appearing in 93 ayaat or verses though Noah Adam and Moses appear with even greater frequency It states that Jesus was born to Mary Arabic Maryam as the result of virginal conception a miraculous event which occurred by the decree of God his Creator Arabic Allah To aid in his ministry to the Jewish people Jesus was given the ability to perform miracles such as healing the blind bringing the dead back to life etc which no other prophet in Islam has ever been credited with all by the permission of God rather than of his own power According to the Quran Jesus although appearing to have been crucified was not killed by crucifixion or by any other means instead God raised him unto Himself In the 19th Sura of the Quran verse 33 Jesus says And peace is on me the day I was born and the day I will die and the day I am raised alive which clearly declares that Jesus will experience a natural death and will be raised again on the day of judgment Like all prophets in Islam Prophet Jesus or Isa is considered a Muslim i.e. one who submits to the will of God as he preached that his followers should adopt the straight path as commanded by God Traditionally Islam teaches the rejection of the Trinitarian Christian view that Jesus was God incarnate or the son of God The Quran says that Prophet Jesus himself never claimed to be the Son of God and it furthermore indicates that Jesus will deny having ever claimed divinity at the Last Judgment and God will vindicate him Islamic texts forbid the association of partners with God shirk emphasizing a strict notion of monotheism tawhid Muslims believe that Jesus will return to earth near the Day

Biblical Figures in the Islamic Faith Stephen J. Vicchio,2008-07-01 Vicchio believes that by understanding how much Muslim tradition overlaps with the biblical traditions of Judaism and Christianity we might begin to expose a wedge of common ground on which understanding and respect might begin to be built Vicchio begins with a brief introduction sketching some fundamentals of Muslim history and culture and clearing away some common misconceptions His main goal however is to give us a detailed look at the treatment of biblical figures in the literature of Islam The broad range of his research and presentation is startling He begins with the Qur an but continues on to the collected writing of the roughly two hundred years after Mohammed Hadith Sunnah Akhbar that came to be regarded as authoritative in the various traditions that developed in early Islam He then traces the interest in these biblical figures on into modern treatments of the role of these figures in Muslim scholarship and how these figures are understood and used in the traditions of Islam yet today The result of Vicchio s scholarship and presentation will be a revelation to most Christian and Jewish readers It has become somewhat commonplace to refer to Judaism Christianity and Islam as the three Abrahamic faiths This shows a beginning awareness of

the beginnings of each of these three great religions birthed in the Middle East in a common ancestor Abraham Ibrahim Abraham's faithfulness and his closeness to God make him a revered figure in each of these three great faiths and for each Abraham is a beginning of the story of the particular relationship between God and the people of each of these religions from the Foreword Reconciling Islam, Christianity and Judaism Terence Lovat, Robert Crotty, 2015-02-23 At the present time when so called Islamic radicalism terrorism and Jihadism occupy major media space with Islam often depicted as the main culprit the book attempts a tour de force It proposes that Islam is as much victim as culprit in the history that has led to the current hostility This is because the common claims of both mainstream and radical Islam that Islam represents the high point of the Abrahamic tradition and therefore a purification of Judaism and Christianity have been largely ignored misunderstood or blatantly rejected by these faiths and therefore by the West in general This rejection has effectively rendered Islam as the poor cousin if not the illegitimate sibling of the tradition In turn this has created long term resentment and hostility within Islam as well as robbed the Judaeo Christian West of a rich inter faith understanding of the wider Abrahamic tradition The book explores these claims through textual historical and theological analyses proposing that many of them stand up better to critical scrutiny than has been commonly acknowledged It further proposes that seeing Islam in this way has potential to re awaken its self understanding as a leader of accord among the Abrahamic faiths of the kind that characterized the era of Convivencia when in medieval Spain Islam constructed and contributed to advanced civilizations characterized by relatively harmonious co existence between Muslims Christians and Jews The book focuses on the role that a more respected and self confident Islam could play in forging enhanced inter faith relations in a world that desperately needs them as it struggles to understand and deal with modern and particularly vicious forms of radical Islamism The Stories of the Prophets. Gruber, Frederick S. Colby, 2010-02 The tales of the mi raj describe the prophet Muhammad s journey through the heavens his encounters with prophets and angels and his visit to heaven and hell The tales are among Islam s most popular appearing in Arabic Persian and Turkish literature and in later adaptations throughout the

Muslim world Often serving as narratives designed to promote the worldview of particular Muslim groups the tales were also a means for communities to construct rules of normative behavior and ritual practices and were used to assert the superiority of Islam over other religions The essays in this collection discuss the formation of this narrative the mi raj as a missionary text its various adaptations its application to esoteric thought and its use in performance and ritual Giants on My Shoulders, the Untold Story Behind the Greatest Upset in Boxing History Ben Clement, 2012-09-01 An extraordinary account of the life of unknown club boxer Frank Steele who sparred with legendary boxing greats like Muhammad Ali George Foreman Joe Frazier and Ernie Shavers Impoverished from birth and poorly educated Frank did the best he could to parlay his boxing prowess and brute strength into fame and fortune Hired as Foreman s chief sparring partner to help prepare the champ for the Ali Rumble in the Jungle fight in Africa he was fired after doing his job too well beating up Foreman and knocking his headgear into the audience When Ali heard about the incident he paid Frank 3 000 for the secret to defeating the unbeaten and seemingly invincible champion This is the untold story of what lead to the greatest upset in boxing history
