**There, Done that** Mike Winchell, 2015 Kids are incredibly curious about where stories come from. Where do authors get their ideas? And how do they turn those ideas into stories? This anthology gives readers an exclusive behind-the-scenes look at the process of taking real-life experiences and turning them into works of engaging fiction. Each author will contribute two pieces: A narrative nonfiction account which then serves as the inspiration for an original fictional short story. Subjects include a broad range from an alien invasion to the realities of living during World War II but are tied together with universal concepts like dealing with change, fitting in, self-esteem, and relationships with friends and family. This collection is sure to inspire a new generation of writers.
