*Qualitative Research Approaches for Public Administration* Larry S. Luton, 2015-01-28 Thoroughly updated more concise than the previous edition and available for the first time in paperback

**High-Stakes Testing in Education** Theo J.H.M Eggen, Gordon Stobart, 2015-10-14 High stakes educational testing is a global phenomenon which is increasing in both scale and importance Assessments are high stakes when there are serious consequences for one or more stakeholders Historically tests have largely been used for selection or for providing a licence to practise making them high stakes for the test takers Testing is now also used for the purposes of improving standards of teaching and learning and of holding schools accountable for their students results These tests then become high stakes for teachers and schools especially when they have to meet externally imposed targets More recent has been the emergence of international comparative testing which has become high stakes for governments and policy makers as their education systems are judged in relation to the performances of other countries In this book we draw on research which examines each of these uses of high stakes testing The articles evaluate the impact of such assessments and explore the issues of value and fairness which they raise To underline the international appeal of high stakes testing the studies are drawn from Australia Africa the Caribbean Europe former Soviet republics and North America Collectively they illustrate the power of high stakes assessment in shaping for better or for worse policy making and schooling This book was originally published as a special issue of *Assessment in Education Principles Policy Practice*

**Interviewing** Kathryn Roulston, 2021-10-06 This book provides guidance to researchers about how to develop interview skills that align with their theoretical assumptions Connecting theory and method can be challenging for novice researchers

Interviewing A Guide to Theory and Practice draws from and extends the author's earlier 2010 book and focuses on three interrelated issues: how researchers theorize research interviews, examine their subject positions in relation to projects and participants, and explore the details of interview interaction to inform practice. By developing these understandings of qualitative interview practice, Kathryn Roulston shows how researchers can design and conduct quality research projects that draw on a wide range of interview practices to provide audience members and communities with significant findings concerning social problems.

*Qualitative Research* Sharon M. Ravitch, Nicole Mittenfelner Carl, 2019-12-20 The second edition of *Qualitative Research* focuses on cultivating and bridging theoretical, methodological, and conceptual aspects to provide insight into their interactions in qualitative research. This comprehensive text helps students understand the central concepts, topics, and skills necessary to engage in rigorous, valid, and respectful qualitative research. Authors Sharon M. Ravitch and Nicole Mittenfelner Carl have written this text with student researchers in mind, balancing communicating the foundations and processes of qualitative research with clarity and simplicity while also capturing its complexity and layers. Whether students are new to qualitative research or not, this book will help students develop and deepen their understanding of an approach to research that seeks designs for and engages criticality in research. The new edition of this book includes a more prominently placed and expanded discussion of research ethics as crucial to students' inquiry, more information on reflexivity in data collection, and individual methods for qualitative data collection, a more in-depth chapter on coding, and other types of qualitative data analysis, and more thorough resource sections, including connections to the extensive appendices, so students can further their qualitative research journey. Included with this title: The password-protected Instructor Resource Site, formally known as SAGE Edge, offers access to all text-specific resources, including a test bank and editable chapter-specific PowerPoint slides.

**Reflections on Qualitative Research in Language and Literacy Education** Seyyed-Abdolhamid Mirhosseini, 2017-01-11 This book discusses aspects of the theory and practice of qualitative research in the specific context of language and literacy education. It addresses epistemological perspectives, methodological problems, and practical considerations related to research involvements in areas of language education and literacy studies, rather than generic issues of other fields of social sciences. The volume starts with Theoretical Considerations in the first part and raises some epistemological and theoretical concerns that are rarely debated in the specific context of research on language and literacy teaching. The second part, Methodological Approaches, explores issues of the design and implementation of language and literacy education research within the framework of some of the major established qualitative research traditions. Finally, the part on Research in Action discusses practical aspects of a few actual instances of qualitative research on language and literacy education in different contexts.

**Preparing Teachers to Teach the STEM Disciplines in America's Urban Schools** Cheryl J. Craig, Paige K. Evans, Donna W. Stokes, 2021-04-12 Bridging a gap in the literature by offering a comprehensive look at how STEM teacher education programs evolve over time, this book explores

teachHOUSTON a designer teacher education program that was created to respond to the lack of adequately prepared STEM teachers in Houston and the emerging urban school districts that surround it      "In Search of ..." Airi-Alina Allaste,Katrin Tiidenberg,2015-02-05 This collection of fifteen methodological texts by a group of thirty international youth and social researchers is a polyphony of scholarly voices advancing the field of qualitative inquiry in youth studies The book homes in on ways of adapting remixing and reconsidering qualitative methods in order to better serve youth researchers in the twenty first century The texts included in this collection offer honest and open accounts of searching for assembling testing and rejecting creative well known or unconventional techniques from various methodical homes As is emphasized in the title this is not so much an overview as an inquiry into conducting youth research in an environment that is constantly transforming Researchers are always seeking out the best ways to capture and co produce meaning that can be used for the greater good This book offers fresh interpretations of and feedback on inventive combinations of methods research questions and theoretical frameworks It will be of interest to all who work in youth studies and sociology and particularly useful to postgraduate students junior scholars and established researchers seeking to branch out into new terrain      **Discourses We Live By: Narratives of Educational and Social Endeavour** Hazel R. Wright,Marianne Høyen,2020-07-03 What are the influences that govern how people view their worlds What are the embedded values and practices that underpin the ways people think and act Discourses We Live By approaches these questions through narrative research in a process that uses words images activities or artefacts to ask people either individually or collectively within social groupings to examine discuss portray or otherwise make public their place in the world their sense of belonging to and identity within the physical and cultural space they inhabit This book is a rich and multifaceted collection of twenty eight chapters that use varied lenses to examine the discourses that shape people s lives The contributors are themselves from many backgrounds different academic disciplines within the humanities and social sciences diverse professional practices and a range of countries and cultures They represent a broad spectrum of age status and outlook and variously apply their research methods but share a common interest in people their lives thoughts and actions Gathering such eclectic experiences as those of student teachers in Kenya a released prisoner in Denmark academics in Colombia a group of migrants learning English and gambling addiction support workers in Italy alongside more mainstream educational themes the book presents a fascinating array of insights Discourses We Live By will be essential reading for adult educators and practitioners those involved with educational and professional practice narrative researchers and many sociologists It will appeal to all who want to know how narratives shape the way we live and the way we talk about our lives      Narratives about Jews among Muslims in Norway Vibeke Moe Bjørnbekk,2024-06-17 What is the nature of Muslim Jewish relations in Europe today Based on qualitative interview data this book explores narratives about Jews among Muslims in Norway Drawing on culturally embedded narratives as well as personal experiences interviewees reflect on the relationship between Jews and Muslims The interreligious exchange

between Islam and Judaism is as old as Islam Today the Arab Israeli conflict has become an important frame of reference in the public discourse on Muslim Jewish relations The narratives presented in this book delineate shifting community boundaries and identifications that transcend dichotomised notions of Muslims versus Jews The analysis shows how Jewish history in Europe and the history of modern antisemitism serve as interpretative keys in the narratives used for explaining the situation of the Muslim minority today Furthermore the book demonstrates how interviewees perceptions of society s attitudes toward Muslim and Jewish experiences also strongly influence their perceptions of Muslim Jewish relations
