Lost In Space Probing Feminist Science Fiction And Beyond:

Lost in Space Marleen S. Barr, 2017-11-01 Archaeologists and anthropologists discover other civilizations science fiction writers invent them In this collection of her major essays Marleen Barr argues that feminist science fiction writers contribute to postmodern literary canons with radical alternatives to mainstream patriarchal society Because feminist science fiction challenges male centered social imperatives it has been marginalized and dismissed from the canon thus lost in space Moving beyond feminist science fiction itself Barr goes on to examine other literary genres from the perspective of feminist fabulation a term she has coined to encompass science fiction fantasy utopian literature and mainstream literature that critiques patriarchal fictions Discussing the works of such writers as Margaret Atwood Joanna Russ Salman Rushdie Paul Theroux Ursula Le Guin Herman Melville Saul Bellow Edgar Allan Poe and Marge Piercy Barr illuminates feminist science fiction's connections to other literary traditions and contemporary canons Her critical analysis yields a new and expanded understanding of feminist creativity

Reader's Guide to Women's Studies Eleanor Amico, 1998-03-20 The Reader's Guide to Women's Studies is a searching and analytical description of the most prominent and influential works written in the now universal field of women's studies Some 200 scholars have contributed to the project which adopts a multi layered approach allowing for comprehensive treatment of its subject matter Entries range from very broad themes such as Health General Works to entries on specific individuals or more focused topics such as Doctors

Worlds Apart? Dunja M. Mohr, 2005-06-15 Literary critics and scholars have written extensively on the demise of the utopian spirit in the modern

novel What has often been overlooked is the emergence of a new hybrid subgenre particularly in science fiction and fantasy which incorporates utopian strategies within the dystopian narrative particularly in the feminist dystopias of the 1980s and 1990s The author names this new subgenre transgressive utopian dystopias Suzette Haden Elgin's Native Tongue trilogy Suzy McKee Charnas's Holdfast series and Margaret Atwood's The Handmaid's Tale are thoroughly analyzed within the context of this this new subgenre of transgressive utopian dystopias Analysis focuses particularly on how these works cover the interrelated categories of gender race and class along with their relationship to classic literary dualism and the dystopian narrative Without completely dissolving the dualistic order the feminist dystopias studied here contest the notions of unambiguity and authenticity that are generally part of the canon

Johanne Farstad,2023-07-19 Speculative fiction opens doors for imagining beyond what is possible conventional or acceptable Speculative fiction has an acute ear for the social the scientific and for political developments and change all of which are prominent topics Reproduction and parenthood are pertinent social questions that are constantly renegotiated in various arenas By investigating representations of family making and reproduction in speculative fiction the research presented in *Populating the Future* Families and Reproduction in Speculative Fiction not only adds to the field of speculative fiction scholarship but also contributes to the more general discussion about reproduction and parenting Speculative fiction operates as thought laboratories that make connections between discourses visible It highlights power structures that can be difficult to detach and represents difficult and abstract issues more concretely As such speculative fiction demonstrates the complex entanglement of reproduction with issues of gender power and agency By facilitating thought experiments and illustrating alternatives speculative fiction also enables the representation of new family structures and reproductive technologies thus paving the way for discussions about various practices and their possible consequences Due to its multidisciplinary approach this book will be of value to scholars and students of various disciplines such as literature studies philosophy ethics political science the social sciences and gender studies It will also be a useful resource in teacher training programmes as well as to a more general audience interested in speculative literature politics society gender and ethics

Yesterday's Tomorrows Pere Gallardo,Elizabeth Russell,2014-03-26 2012 was a year of financial crises and ecological disasters of endings and forebodings The world did not end on December 21st as the Mayan calendar predicted but became the stage for new beginnings utopian communities protest groups and solidarity movements The essays in this book form an intertextual space for negotiating meaningful facts and fictions with an aim to understanding the present Discussions focus on utopia and dystopia from literature and film not only within the framework of science fiction but also critical theory gender politics and social sciences The authors of these essays are international academics whose interest lies in utopian studies and who attended the 13th International Conference of Utopian Studies The Shape of Things to Come held in Tarragona Spain in 2012 *Frankenstein's Daughters* Jane L. Donawerth,1997-04-01 Women Science fiction authors past and present are united by the problems they face in attempting to write in this genre an overwhelmingly male dominated field Science fiction has been defined by male centered scientific discourse that describes women as alien others rather than rational beings This perspective has defined the boundaries of science fiction resulting in women writers being excluded as

equal participants in the genre *Frankenstein's Daughters* explores the different strategies women have used to negotiate the minefields of their chosen career they have created a unique utopian science formulated by and for women with women characters taking center stage and actively confronting oppressors This type of depiction is a radical departure from the condition where women are relegated to marginal roles within the narratives Donawerth takes a comprehensive look at the field and explores the works of authors such as Mary Shelley Marion Zimmer Bradley Ursula K Le Guin and Anne McCaffrey

Popular Culture Primer John A. Weaver, 2009 This revised edition of the *Popular Culture Primer* is an introductory text that traces the history of popular culture and cultural studies Besides covering the traditional subjects such as the influence of the Frankfurt School and the Centre for Contemporary Cultural Studies this book covers the cultural studies of science and technology the biosciences drugs and sports as well as other often ignored topics such as science fiction fan cultures and childhood studies It looks at the impact these topics have on our understanding of education and popular culture The *Popular Culture Primer* is an essential text for any class devoted to teaching the history and importance of the subject *Brave new words* Jeff Prucher, Teaching Toward the 24th Century Karen Anijar, 2004-11-23

Trekkie popular culture sees Star Trek as a unifying myth Dr Anijar explores this phenomenon in light of the influences of television in children's lives and the effects of utopian interpretations of Star Trek on teaching practice

Bridges to Science Fiction and Fantasy Gregory Benford, Gary Westfahl, Howard V. Hendrix, 2018-03-05 The J Lloyd Eaton Conferences on Science Fiction and Fantasy Literature long held at the University of California Riverside have been a major influence in the study of science fiction and fantasy for thirty years The conferences have attracted leading scholars whose papers are published in Eaton volumes found in university libraries throughout the world This collection brings together 22 of the best papers most with new afterwords by the authors presented in chronological order to show how science fiction and fantasy criticism has evolved since 1979

New Materialisms and Environmental Education David A. G. Clarke, Jamie McPhie, 2023-07-24 New materialisms refers to a broad contemporary and significant movement of thought across the social sciences and cultural studies which attempts to re turn to renew or create alternative philosophies of matter Such philosophies spring from multiple sources but are in general an attempt to bring the indissolubility of the social and environmental more forcefully into our analytical frames and modes of inquiry and tackle a perceived over reliance on discourse and language in the so called post modern era of philosophy and social science This movement in thought is underlaid by and meets up with the climate and biodiversity crises and the nature of the human condition and modes of learning or becoming within the field of environmental education This volume brings together academics working at differing intersections of environmental education and new materialisms highlighting tensions knots and lines of flight across and for research practice and theory As such this collection draws on multiple interpretations and streams of thought within new materialisms and demonstrates their significance for those engaging with environmental education policy practice and research This book was originally published as a special issue of

the journal Environmental Education Research **Feminism and Its Fictions** Lisa Maria Hogeland, 2016-11-11 During the 1970s thousands of American women met regularly in small groups to talk about the injustices they experienced in their private lives and how those personal injustices related to the broad based political oppression of women They called this cultural work consciousness raising Women s and feminist fiction of the 1970s was dominated by a new kind of novel whose content and form were shaped by the practice of consciousness raising Lisa Maria Hogeland contends that consciousness raising novels both reflected and furthered the Women s Liberation Movement s analyses of sexuality gender race and political responsibility and that through their narrative structure the novels actually engaged in consciousness raising with their readers Using a broad range of fiction including works by Erica Jong Marilyn French Marge Piercy Alix Kates Shulman Alison Lurie Joanna Russ and Joan Didion Hogeland explores the ways in which consciousness raising novels addressed some of the most important questions raised by second wave feminism **The Digital Is Kid Stuff** Josef Nguyen, 2021-12-28 How popular debates about the so called digital generation mediate anxieties about labor and life in twenty first century America The children are our future goes the adage a proclamation that simultaneously declares both anxiety as well as hope about youth as the next generation In The Digital Is Kid Stuff Josef Nguyen interrogates this ambivalence within discussions about today s digital generation and the future of creativity an ambivalence that toggles between the techno pessimism that warns against the harm to children of too much screen time and a techno utopianism that foresees these digital natives leading the way to innovation economic growth increased democratization and national prosperity Nguyen engages cultural histories of childhood youth and creativity through chapters that are each anchored to a particular digital media object or practice Nguyen narrates the developmental arc of a future creative laborer from a young kid playing the island fictions of Minecraft to an older child learning do it yourself skills while reading Make magazine to a teenager posting selfies on Instagram to a young adult creative laborer imagining technological innovations using design fiction Focusing on the constructions and valorizations of creativity entrepreneurialism and technological savvy Nguyen argues that contemporary culture operates to assuage profound anxieties about and to defuse valid critiques of both emerging digital technologies and the precarity of employment for creative laborers in twenty first century neoliberal America
