He greeted me with effusive shouts. Wouldn't hear of my standing the racket. Insisted on being host. When we had finished, he fumbled in his pockets, looked pained and surprised and drew me aside. Look here, Licky old horse, he said, you know I never borrow money. It's against my principles. But I must have a couple of bob. Can you, my dear good fellow, oblige me with a couple of bob till next Tuesday? I'll tell you what I'll do. In a voice full of emotion, I'll let you have this producing a beastly little threepenny bit with a hole in it which he had probably picked up in the street until I can pay you back. This is of more value to me than I can well express. Licky my boy, A very very dear friend gave it to me when we parted years ago. It's a wrench. Still no no. You must take it, you must take it. Licky old man, shake hands, old horse. Shake hands, my boy. He then tottered to the bar, deeply moved and paid up out of the five shillings which he had made it as an after thought. He asked after you and said you were one of the noblest men on earth. I gave him your address, not being able to get out of it, but if I were you, I should fly while there is yet time. **Love Among the Chickens** P. Wodehouse, 2017-09-26

Wodehouse, 2017-12-11T02:32:46Z. Wodehouse once described his writing as musical comedy without music, and *Love Among the Chickens* is one of the earliest examples of his trademark style. The narrator, Jeremy Garnet, is a mild-mannered author attempting to finish his next novel in peace and quiet. Enter Stanley Ukridge, a man brimming with endless schemes who draws the narrator into his latest idea of a lifetime: running a chicken farm. With little practical knowledge yet boundless ambition, they move to a country house and put the plan into action. Along the way, Garnet falls headlong in love with a woman on the train and becomes consumed with winning her heart despite formidable obstacles. The original edition of *Love Among the Chickens* was published in the UK in 1906. This newer edition dates from 1921 and is described as entirely rewritten by the author. It is the first introduction in print of the character Ukridge, who would appear again in other short stories and novels by Wodehouse. This book is part of the Standard Ebooks project, which produces free public domain ebooks. **Love Among the Chickens, Large-Print Edition** Pelham Grenville Wodehouse, 2008-07-01. Long before there was Jeeves, P. G. Wodehouse wrote hilarious comic novels about upper-class British characters, including Ukridge, who never quite comes to grips with reality. Ukridge contacts his old friend Jeremy Garnet, who has been trying to avoid him with a smashing idea to

start a chicken farm Just borrow some chickens have them lay eggs raise the chicks and off you go Things are going fine until Garnet sees a lovely young lady who is reading one of his novels He is immediately smitten and the complications begin A terrific book from a master of British comedy Newly designed and typeset in a modern 6 by 9 inch format by Waking Lion Press Love Among the Chickens P. Wodehouse,1906-01-01 A young but not too brilliant writer is conscripted by a ne er do well friend to help out on a chicken farm in remote Dorset While traveling to the country the writer encounters a lovely young girl and her academician father on the train He is delighted to discover that she is reading a copy of his latest book In the countryside he also discovers that the professor and his daughter are neighbors However over dinner one night he gets into an acrimonious debate with the elderly scholar who storms out furious with his daughter s potential suitor Meanwhile the chicken farm seems to be a doomed enterprise All this and other zany events form the delightful plot of Love Among the Chickens by PG Wodehouse Published in 1906 in England and also serialized in the Circle magazine it was revised and rewritten several times by the author himself He changed the narrative viewpoint the ending and the dedication several times before finally settling on this version It was also the first Wodehouse book to be independently published in the United States **Love Among the Chickens: A Story of the Haps and Mishaps on an English Chicken Farm** Sir Pelham Grenville Wodehouse,1908-01-01 Mr Jeremy Garnet stood with his back to the empty grate for the time was summer watching with a jaundiced eye the removal of his breakfast things Mrs Medley he said Sir Would it bore you if I became auto biographical Sir Never mind I merely wish to sketch for your benefit a portion of my life s history At eleven o clock last night I went to bed and at once sank into a dreamless sleep About four hours later there was a clattering on the stairs which shook the house like a jelly It was the gentleman in the top room I forget his name returning to roost He was humming a patriotic song A little while later there were a couple of loud crashes He had removed his boots All this while snatches of the patriotic song came to me through the ceiling of my bedroom At about four thirty there was a lull and I managed to get to sleep again I wish when you see that gentleman Mrs Medley you would give him my compliments and ask him if he could shorten his program another night He might cut out the song for a start He s a very young gentleman sir said Mrs Medley in vague defense of her top room And it s highly improbable said Garnet that he will ever grow old if he repeats his last night s performance I have no wish to shed blood wantonly but there are moments when one must lay aside one s personal prejudices and act for the good of the race A man who hums patriotic songs at four o clock in the morning doesn t seem to me to fit into the scheme of universal happiness So you will mention it to him won t you Very well sir said Mrs Medley placidly On the strength of the fact that he wrote for the newspapers and had published two novels Mrs Medley regarded Mr Garnet as an eccentric individual who had to be humored Whatever he did or said filled her with a mild amusement She received his daily harangues in the same spirit as that in which a nurse listens to the outpourings of the family baby She was surprised when he said anything sensible enough for her to understand His table being clear of breakfast and his room free

from disturbing influences the exhilaration caused by his chat with his landlady left Mr Garnet Life seemed very gray to him He was a conscientious young man and he knew that he ought to sit down and do some work On the other hand his brain felt like a cauliflower and he could not think what to write about This is one of the things which sour the young author even more than do those long envelopes which so tastefully decorate his table of a morning He felt particularly unfitted for writing at that moment The morning is not the time for inventive work An article may be polished then or a half finished story completed but 11 A M is not the hour at which to invent Jerry Garnet wandered restlessly about his sitting room Rarely had it seemed so dull and depressing to him as it did then The photographs on the mantelpiece irritated him There was no change in them They struck him as the concrete expression of monotony His eye was caught by a picture hanging out of the straight He jerked it to one side and the effect became worse He jerked it back again and the thing looked as if it had been hung in a dim light by an astigmatic drunkard Five minutes pulling and hauling brought it back to a position only a shade less crooked than that in which he had found it and by that time his restlessness had grown like a mushroom
