

My Eternal Flame,

As the sands of time flow, my love for you only grows, burning brighter with each passing moment. I've come to realize that love isn't just about the here and now. It's about every shared yesterday and every hoped-for tomorrow. With every tick of the clock, my love for you becomes a part of eternity, a testament to the power of two souls entwined in time.

Forever and always.

Rushing, 2021-04-28 A volume in the Cultural Studies Series edited by Samir Dayal An innovative and entertaining look at genre popular culture enjoyment and psychoanalysis Detective fiction a category that broadly defined runs the gamut from Oedipus Rex to The Purloined Letter continues to draw a range of fans and scholars and to play a pivotal role in popular entertainment contemporary literature and psychoanalytic theory But how do we derive pleasure from reading about or watching a detective's exploits Is our enjoyment in the vicarious experience of genius Or in witnessing the commission of a crime an equally vicarious experience of violence Resisting Arrest looks at the detective genre in its many different cultural manifestations from popular fiction Christie to high literature Eco from art films Antonioni to popular television series Monk In each case Rushing finds that detective stories have less to do with fulfilling our hidden desires as psychoanalytic explanations have traditionally asserted than with purposively thwarting them He argues that the genre is in fact constituted principally by the promises on which it fails to deliver including the vicarious experience of both genius readers expecting to play Sherlock Holmes are almost always cast as Watson and antisocial violence so that our pleasure is based on what Slavoj Žižek has called the endless circulation around the always missed object Organized around the key ideas that structure the detective genre Desire Repetition Violence Resisting Arrest offers a thoroughly new interpretation that will appeal to scholars interested in questions about genre and cinema studies popular culture and psychoanalysis Transformation of a Nerd Aetius D.
