Love Knows No Bounds:

Love Knows No Bounds Virginia Eriful Sigley, 2017-03-21 Emily a young lady from the Philippines immigrated to America to join her aunt The only asset she had when she left home was her strong faith in God to carry her through the great world she was destined to conquer Through God's grace she found a job in a prestigious firm in Los Angeles She's incredibly brilliant courageous and not intimidated by what's ahead of her These are some of the tools which Emily used to reach her greatest success in becoming the chief quality technical consultant of the Finance Circuit Optimum Company Luke a very handsome and intelligent young man was a general manager of the firm to which Emily reported for duty His success in running his department is due to his never daunting leadership He is greatly admired and respected by the people under his management Because of his good judgment and influence he eventually got promoted to executive vice president of the company There was an instant connection between him and Emily ever since they met Over the years of working together they found strength in one another including lifting each other's spirit when things became grim at work As time went on their friendship developed into a romantic relationship As their love for each other grew deeper they relied more and more on the Lord's guidance Luke's visit to Emily's home in the Philippines and meeting her family became the pivotal point in his quest for happiness and peace Most of all Emily's world may be as far away from Luke's world but the world they live in is totally in God's hands Although there is a disparity between Luke's and Emily's world it really didn't matter to them for their deep love for each other will ultimately prevail because love knows no bounds Love Knows No Bounds Lorraine
