Loving Her Northeastern Library Of Black Literature:

Loving Her Ann Allen Shockley, 1997-10-30 Terry awakens in Renay a love and sexual desire beyond her erotic imaginings Despite the sexist racist and homophobic prejudices they must confront the mutually supportive couple finds physical and emotional joy

Writing in the Kitchen David A. Davis, Tara Powell, 2014-08-04 Scarlett O Hara munched on a radish and vowed never to go hungry again Vardaman Bundren ate bananas in Faulkner s Jefferson and the Invisible Man dined on a sweet potato in Harlem Although food and stories may be two of the most prominent cultural products associated with the South the connections between them have not been thoroughly explored until now Southern food has become the subject of increasingly self conscious intellectual consideration The Southern Foodways Alliance the Southern Food and Beverage Museum food themed issues of Oxford American and Southern Cultures and a spate of new scholarly and popular books demonstrate this interest Writing in the Kitchen explores the relationship between food and literature and makes a major contribution to the study of both southern literature and of southern foodways and culture more widely This collection examines food writing in a range of literary expressions including cookbooks agricultural journals novels stories and poems Contributors interpret how authors use food to explore the changing South considering the ways race ethnicity class gender and region affect how and what people eat They describe foods from specific southern places such as New Orleans and Appalachia engage both the historical and contemporary South and study the food traditions of ethnicities as they manifest through the written word

Black No More George Samuel Schuyler, 2012-02-14 What would happen to the race problem in America if black people could suddenly become white

Black Empire George Samuel Schuyler, 1991 George Samuel Schuyler was a noted black satirist of the early 20th century This book is an intricate tale of black nationalism science fiction and incredible feats of derring do intended to bolster black pride and accomplishment in the uneasy years before World War II The book originally ran as weekly serialized fiction in the Philadelphia Courier from 1936 to 1938 Principal character Dr Henry Belsidus is obsessed with releasing blacks from the crushing tyranny of racism and poverty and he plans to take over the world and enlists black intellectuals to help him Underlying the story is an attempt to resolve the philosophical economic and cultural chasms between blacks and whites The book reflects the hope and despair felt by blacks during this time From Library Journal

The Seeking Will Thomas, 2013-09-13 The Seeking is the moving and uplifting story of the Thomas family s time among the people of Westford Vermont a life writes Thomas not based on race but on what we and they were like as human beings Back in print for the first time in fifty years this edition includes a new introduction that situates The Seeking in the canon of twentieth century black literature and a new afterword that follows the fortunes of Thomas and his family in the years after its initial publication The Seeking is both a story of one remarkable African American family and a story of race relations in mid century New England

The Black Sleuth John Edward Bruce, 2002 A novel featuring the first black detective in American fiction boldly attacking white prejudice and racial injustice in the U S and abroad

Encyclopedia of African American Women Writers Yolanda Williams Page, 2007-01-30 African American women writers published extensively during the Harlem Renaissance and have been extraordinarily prolific since the 1970s This book surveys the world of African American women writers Included are alphabetically arranged entries on more than 150 novelists poets playwrights short fiction writers autobiographers essayists and influential scholars The Encyclopedia covers established contemporary authors such as Toni Morrison and Gloria Naylor along with a range of neglected and emerging figures Each entry is written by an expert contributor and provides a brief biography a discussion of major works a survey of the author's critical reception and primary and secondary bibliographies Literature students will value this book for its exploration of African American literature while social studies students will appreciate its examination of social issues through literature African American women writers have made an enormous contribution to our culture Many of these authors wrote during the Harlem Renaissance a particularly vital time in African American arts and letters while others have been especially active since the 1970s an era in which works by African American women are adapted into films and are widely read in book clubs Literature by African American women is important for its aesthetic qualities and it also illuminates the social issues which these

authors have confronted This book conveniently surveys the lives and works of African American women writers Included are alphabetically arranged entries on more than 150 African American women novelists poets playwrights short fiction writers autobiographers essayists and influential scholars Some of these figures such as Toni Morrison and Gloria Naylor are among the most popular authors writing today while others have been largely neglected or are recently emerging Each entry provides a biography a discussion of major works a survey of the writer s critical reception and primary and secondary bibliographies The Encyclopedia closes with a selected general bibliography Students and general readers will welcome this guide to the rich achievement of African American women Literature students will value its exploration of the works of these writers while social studies students will appreciate its examination of the social issues these women confront in their works

American Book Publishing Record ,2005 *Modern Moves* Danielle Robinson,2015-06-26 *Modern Moves* traces the movement of American social dance styles between black and white cultural groups and between immigrant and migrant communities during the early twentieth century Its central focus is New York City where the confluence of two key demographic streams an influx of immigrants from Eastern Europe and the growth of the city s African American community particularly as it centered Harlem created the conditions of possibility for hybrid dance forms like blues ragtime ballroom and jazz dancing Author Danielle Robinson illustrates how each of these forms came about as the result of the co mingling of dance traditions from different cultural and racial backgrounds in the same urban social spaces The results of these cross cultural collisions in New York City as she argues were far greater than passing dance trends they in fact laid the foundation for the twentieth century s social dancing practices throughout the United States By looking at dance as social practice across conventional genre and race lines this book demonstrates that modern social dancing like Western modernity itself was dependent on the cultural production and labor of African diasporic peoples even as they were excluded from its rewards A cornerstone in Robinson s argument is the changing role of the dance instructor which was transformed from the proprietor of a small scale local dance school at the end of the nineteenth century to a member of a distinct self identified social industry at the beginning of the twentieth Whereas dance studies has been slow to connect early twentieth century dancing with period racial politics *Modern Moves* departs radically from prior scholarship on the topic and in so doing revises social and African American dance history of this period Recognizing the racialist beginnings of contemporary American social dancing it offers a window into the ways that dancing throughout the twentieth century has provided a key means through which diverse groups of people have navigated shifting socio political relations through their bodily movement *Modern Moves* asserts that the social practice of modern dancing with its perceived black origins empowered displaced people such as migrants and immigrants to grapple with the effects of industrialization urbanization and the rise of North American modernity Far more than simple appropriation the selling and practicing of black dances during the 1910s and 1920s reinforced whiteness as the ideal racial status in America through embodied and rhetorical engagements with

period black stereotypes
