

Unit 5 - Topic 5.2: Atlantic Revolutions Comparison (AMSCO pgs.285-293)

	American Revolution 1765-1783	French Revolution 1789-1799	Haitian Revolution 1791-1804
What factors caused this revolution? Be specific.	Taxation from the British caused mass outrage, and when revolts began in Boston, the Boston Massacre occurred. This caused American Colonists to start revolts and delegates were making decisions that Parliament would make.	King Louis XVI and Queen Marie Antoinette's lavish spending and the inability to rule or manage the government required the Estates General to be summoned for the first time in over 100 years. The voting system made the Third Estate feel overruled by the other 2 estates, meaning that the peasants and average civilians were not going to see change. The Tennis Court Oath then made the Third Estate join until the King listened to their demands.	There were 500,000 slaves, and only 40,000 whites. There were also 30,000 people of color that were free. The French Revolution challenged Slave Labor, which was triggered by rumors that Louis XVI declared an end to slavery. This caused 1,000 plantations to burn.
What were the desires/goals of Revolutionaries?	The goal was to become independent from Great Britain. The Colonists had enough of taxation and persecution by the Britain colonies.	The goal was to have Louis XVI to abdicate as King of France, allowing a republic rather than a monarchy.	Their goal was to revolt to no longer be used for forced labor and have freedoms that the 570,000 people also had.
Dates and Brief Summary of Major Events of Revolution	1773 – Boston Tea Party 1775 – The Shot Heard Around the World 1776 – Declaration of Independence and America being born/created 1781 – The Battle of Yorktown 1783 – The war officially ends due to the French's alliance with the Colonists.	Spring, 1789 – Estates-General is called for the first time in over a hundred years. July 14, 1789 – A crowd storms the Bastille, peasants revolted against nobles. 1789-1791 – The National Assembly is born, the Declaration of the Rights of Man was adopted, Louis XVI and Marie Antoinette were arrested, the Jacobins rose to the National Assembly. 1792 – First French Republic is established by the Jacobins, and the Reign of Terror began. 1804 – Napoleon Bonaparte became	The Haitian Revolution lasted from 1791-1804.
