The Debater's Guide Jon M. Ericson, James Jerome Murphy, 2003 A fully revised handbook for students of debate at all stages The Debater's Guide presents chronologically the steps of building a debate case reviews the strategy of planning for refutation and defense and offers sound advice on presenting the case in oral discourse *Good Schools Guide* Lucas Publications, 2003-06-02 **Journal of the New York State Teachers' Association**, 1918 **The Debater's Guide, Fourth Edition** Jon M. Ericson, James J. Murphy, Raymond Bud Zeuschner, 2011-02-17 Tens of thousands of readers have studied and applied this practical guide to instruction in argumentation and communication since it was first published in 1961 In this fourth edition the Fiftieth Anniversary Edition authors Jon M Ericson James J Murphy and Raymond Bud Zeuschner have made significant revisions to improve the depth flow and clarity of this popular debater's handbook With straightforward explanations and specific applications geared toward contemporary debate practice this compact volume offers students and teachers clear cut assistance in resolving the key problem faced by debaters the need to present arguments forcefully and cogently while reacting effectively to criticism Beginning with a candid explanation of the basic principles of debate The Debater's Guide then introduces the steps to building a case from reviewing strategies for refutation and defense to engaging in cross examination solid research and critical thinking It advises readers on a wide range of important topics from budgeting time in a debate to speaking in outline form by using a well organized series of explanations specific examples and graphic presentations related to both policy and value issues The authors apply these concepts to a variety of formats and situations commonly found in high school and collegiate debating Avoiding jargon and complex theory discussions The Debater's Guide offers sound advice on presenting an effective case in oral discourse helps students build their understanding of how and why debate functions and provides a solid foundation for success in any format The expanded contents pages and new subheadings allow for quick reference to any particular aspect of debate making this new edition an excellent choice for classroom use as well as a valuable hands on tool during debates **Pitman's Journal of Commercial Education**, 1892 The Journal of the New York State Teachers' Association, 1918 *Discovering the World Through Debate* William J. Driscoll, Joseph P. Zompetti, 2003 This book provides a guide to Karl Popper Debate a format of educational debate It discusses the nature of political debate and presents a series of practical rules and guidelines for debaters outlining steps for preparing for a debate and creating a strong case and examining one debate in detail Conversations about Calling Valerie Myers, 2013-07-18 Conversations about Calling explores management perspectives of the calling construct Using Max Weber's seminal work *The Protestant Ethic and the Spirit of Capitalism* as a starting point Myers seeks to enrich management perspectives of calling by integrating the contributions of other disciplines to the literature on calling While the word calling is casually used as shorthand for my ideal job the calling concept has provoked deeper and varied interest among the secular and spiritual circles of both scholars and practitioners Structured around the idea of four conversations the book aims to promote a holistic examination of calling Each conversation has a different focus elucidating important

dimensions of calling and together they provide a truly comprehensive view Part I of the book examines existing conversations in management while part II explores calling across disciplines and eras from the 1500s to the present Finally part III unifies all conversations in a comprehensive theory then discusses its application and implications for practitioners and organizations With a strong theoretical grounding the book also incorporates practical applications supported by case studies Anyone interested in ethics or management and spirituality will benefit from reading this book Please visit www.conversationsaboutcalling.com to rate the book and write a review

Competitive Debate Richard Edwards, 2008-06-03 The bible for debaters and their coaches Nearly every high school and college in America has a debate club and or a debate team There are hundreds of competitions at the county and state level culminating in heated national competitions Yet at many high schools and colleges coaches are drawn from the history or English departments with little or no experience in the highly structured procedures of this popular discipline And while competitive debate has been growing each year as a prime academic activity there have been no popular handbooks to help students and coaches prepare for contests effectively and efficiently Practical and authoritative this guide includes not only tips and guidelines for effective preparation and delivery but full length actual transcripts of successful competitions in each format Endorsed by the two national governing bodies for competitive debate the National Federation of State High School Associations and the National Forensic League and priced for the budget conscious student and high school teacher alike **Competitive Debate The Official Guide** is set to become the instructional bible for tens of thousands of present and future debaters and their coaches Inside Dr Richard Edwards award winning debate coach professor former competitive debate judge and author leads readers through the three popular formats of competitive debate Policy Debate Lincoln Douglas Debate Public Forum Debate
