Monday Motivation Aaron P. Mikulsky, 2022-07-09

Shortly after joining a new company, Aaron began writing weekly emails to his team. On Monday, July 21, 2014, he sent his first Monday MO. It was short: Care more than others think is wise. Risk more than others think is safe. Dream more than others think is practical. Expect more than others think is possible. Set excellence as your standard. Aaron received tremendous feedback that these weekly Monday MOs or Monday Motivations were valuable. People craved someone who cared about them personally, acknowledged them, and respected them. They wanted to authentically be encouraged to learn, grow, improve, and be supported. People desperately longed for a jolt of positivity and motivation each week. Time progressed, and the influence of the Monday MO grew. Colleagues outside of Aaron's organization wanted to be included in his distribution. He was also asked to include spouses, parents, children, and friends. MOs were forwarded to others outside of the company who then asked to be included. The audience soon became quite large and diverse. The Monday MOs were based on topics relevant to the times, something Aaron may have recently read or on a subject matter someone wanted him to write about.
