Green Magic Powder:

Joey Green's Magic Health Remedies Joey Green, 2013-07-09 Home remedies remain an appealing alternative to costly doctor visits they're effective, inexpensive and ideal for everyday illnesses and injuries that don't require hands-on medical care. When brand name product guru Joey Green tackles a subject like home remedies, readers can be found reaching into their closets, cupboards and pantries for their favorite products to cure what ails them. From relieving a migraine with Dole Pineapple Chunks, treating stinky feet with Clearasil and soothing an insect bite with Colgate Toothpaste, Joey Green's Magic Health Remedies is packed with reliable, user-friendly cures for everything from acne and calluses to morning sickness and toothaches. 121 conditions in all, Joey divulges that many products have special, never-before-revealed qualities not found on the label and with a little ingenuity can be used to treat minor health issues and conditions. There's compelling evidence for experimenting with off-label uses like when hay fever strikes, a little McCormick Ground Turmeric in a glass of water brings relief in 15 minutes; the bioflavonoids in the spice are antioxidants that suppress histamine production. Who knew? Well, Joey knows and now he's bringing fast relief and lots of fun to health care at home. **Green Magic** Romer Wilson, 1928

Joey Green's Cleaning Magic Joey Green, 2010-07-06 From the guru of discovering extraordinary uses for brand name products, come brand new ways to make cleaning, organizing and decluttering quick, easy and a lot more fun. The public is endlessly fascinated by quirky and offbeat uses for their favorite products and this time around, Joey Green tackles household chores with his pantry full of cleaning power. Green's easy and effortless tips and tricks show how to scrub, deodorize, shine and remove stains with products already in the house. While Green's suggestions may sound implausible, they are in fact highly effective. Most products on the market today are a complex mix of lubricants, abrasives and cleansers, giving these brand name products plenty of power to clean, dissolve and fix in the most unexpected ways. Joey Green's Cleaning Magic offers clever ways to make household items do double duty, like using a slice of Wonder Bread to clean up tiny shards of glass from a kitchen floor, just pat it flat against the floor and toss it away, and wiping away the gunk from the bottom of an iron with Purell. This practical, useful, funny and entertaining volume includes thousands of incredibly simple ways to clean up every room and dusty corner in the house. *The House of Secrets* Varda Polak-Sahm, 2009 The first inside look at the experiences of women who visit traditional mikvehs, ritual baths used to achieve purity. For Orthodox Jews, immersion in the mikveh, a ritual cleansing bath for women based on purity laws, is the cornerstone of family life. All Orthodox women must immerse in the mikveh before marriage and Ashkenazi women must immerse every month after their menstrual cycle before sexual relations with their husbands may resume. But while the mikveh has been a tool for the exclusion of women, it has also surprisingly become an instrument of women's power, a place men cannot enter and thus cannot control. Roused by her own experiences of immersion for eleven years, Varda Polak-Sahm patiently observed and interviewed Jewish women using the mikveh, gaining unprecedented access to the entirely hidden feminine culture and sensual atmosphere within traditional

mikveh The result is a richly nuanced uncensored look at an experience that is for some holy and for others coercive The House of Secrets gives voice to women from all branches of Judaism as they open up about what the mikveh means to them how it fits in with their attitudes toward religion its effect on their marriages and families as well as on their sexual physical and spiritual self perception and on their relationship with God Already widely praised in Israel this English translation provides a firsthand account of the power of ritual immersion for the growing number of American Jews interested in reclaiming this practice
