Lake Cora Haiku John Bowling,2024-04-15 Lake Cora is a beautiful spring fed lake located in the cradle of southwest Michigan s orchards and vineyards The lake is surrounded by a soft sandy shore natural grasses and stately trees Though it is small and not widely known locals affectionately call it the other great lake Although Lake Cora is an ideal setting for water skiing small sailboats kayaks and an occasional wave runner it is primarily a quiet reflective setting for fishing swimming and a calm nightly parade of pontoon boats As such the lake gives rise to thoughts of nature and the nature of life The ancient craft of haiku provides a vehicle to express such reflections Haiku is a generally unrhymed poetic form traditionally consisting of seventeen syllables arranged in three lines of five seven and five syllables respectively Haiku is perhaps the most popular and best known poetic form worldwide These poems are deceptively simple enough to be taught to children and yet have been the subject of doctoral dissertations and academic careers Lake Cora Haiku is a fresh new collection of this admired poetic form **In One Breath** Sanjay C Kuttan,2021-07-25 This is me my dance with life through poetry haiku and words hoping to resonate with other hearts when read I hope my dance form and rhythm resonates I hope you will find something in this anthology of pseudohaiku that moves you and makes you smile or tear or get motivated to do something more to create propagate even establish love in your world for our world We sigh in one breath and enter the world with our first one breath and depart with our last one breath In between we are awestruck with the wonders of nature gasping in one breath and equally so when witnessing its destruction Such significance associated with one breath that may be seventeen syllables can be read in one breath and the reader s or listener s soul moved just a little **The Japanese**

Writing Poetry in the Dark Stephanie M. Wytovich, 2024-09-11 Writing Poetry in the Dark brings together some of the most successful contemporary genre poets to discuss topics related to creating dark and fantastical poetry While there are countless books available for the aspiring poet there is a lack of resources specifically for and on speculative poetry and with the market thriving publishers who previously did not put out poetry are now adding it to their catalogs requesting it for their anthologies and seeking it for their magazines Given these factors it seemed like the perfect time to put together a guide for dark poets that addresses some of the unique challenges they face such as creating monsters out of white space writing the hybrid poem or subverting folklore in the retelling of a classic tale Included in Writing Poetry in the Dark are recommendations on how to bring fear to the page write from the wound let violence loose channel the weird and tackle the dark side of daily life There are also practical suggestions for exploring different poetic forms and topics ranging from building worlds writing from different points of view and exploring gender and sexuality on the page This book will bring something different to every speculative writer who is interested in exploring poetry with a genre twist and it is our hope that this book will help poetry itself continue to evolve grow and redefine itself in the market for many years to come
