Modernity in East-West Literary Criticism Yoshinobu Hakutani,2001 This collection of eleven essays concerns the movement of modernity in East West literary criticism Most of the contributions address particular cross cultural relationships such as W B Yeats interest in the noh play Ezra Pound s imagism and the influence of Zen aesthetics on Western poetry The Western writers discussed range from Americans including Emerson Thoreau Faulkner Wright and Snyder to Europeans such as Marcel Proust The Eastern writers include Basho Tanizaki Lao Tzu Wan Wei Tagore and Yone Noguchi **Poetry's Nature** Susan Stewart,2025-02-09 How is poetry a living art This is the question at the heart of Poetry s Nature Although it is common to speak of nature poetry Stewart contends that the essential nature of poetry is bound up with the natural world by looking to nature we can better understand poetry and in turn our own situation within nature The study draws on contemporary physics and philosophy to argue that all beings and all matter are enmeshed in relations to one another and that such processural relations can help us to think about poetry as an ever arriving ever unfinished art Based

on Stewart's 2023 Clarendon Lectures in English at the University of Oxford the volume's four chapters explore four paradigms that illuminate poetry's relation to other natural phenomena the ways poems draw on birdsong to veer between language and sound and hence between semantic density and meaninglessness the experience of seasonality as a paradigm for the lyric's recursive use of time the flows and forms of water as an inspiration for the enactment and depiction of motion and rest in poems and finally the vast domain of the imperceptible as a resource for the imagination Her examples range from medieval lyrics to Modernism Poems are events that are felt in time rather than being merely cognized rewarding of our attention like the natural world experienced like the weather in our bodies By reframing poetry in its relation to nature Poetry's Nature hopes to reframe our relation to the world in which we live a task that is of ever greater urgency Haiku, Haiga Elizabeth L. Langford, 2016-10-26 Wandering through woods crossing streams and gazing at stars are some of the experiences that have led to the inspiration for this haiku collection The second half of the book displays the compositions as reflected in non traditional haiga format combining beautiful photographs with the compositions *Crystal Haiku* Brenda DeHaan, 2019-11-11 embrace the essence in seventeen syllables of healing crystals Haiku which started in Japan over 400 years ago is poetry that's only three lines long The first line and third lines have 5 syllables while the second line gets 7 syllables That's it 3 lines 17 syllables The beauty of haiku is its brevity that is still complete enough to convey meaning and emotion It often has nature themes *Crystal Haiku* combines poetry with photographs of 42 different kinds of healing crystals Some of it it quirky some is more thought provoking Haiku is accessible to everyone you don't have to be a poetry lover to appreciate haiku This book is for people who enjoy haiku appreciate healing crystals want to see photographs of beautiful rocks and minerals are curious The Soul of the Haiku Giuseppe Viscusi, 2016-09-12 The author Pino Viscusi witness of changes in culture and traditions of the 21st century sees in haiku poems an important element for the integration and union among people If art is universal in its nature the exercise of writing haiku verses can affect the lives of all from the youngest to the elderly allowing us to rediscover the enchantment of nature and the love for small things Haiku Poems and Art Jacqueline Touba, 2025-03-31 This collection of haiku poetry pairs concise evocative verse with original collages photographs and artwork to create a unique blend of words and imagery Each haiku captures moments of nature emotion and reflection while the accompanying visuals enhance and expand on the themes Together they offer a quiet yet powerful exploration of fleeting beauty cultural exploration and everyday observations **Haiku Poems** Ruthie Van Oosbree, Lauren Kukla, 2022-08-01 Each title introduces readers to haiku poems Fun themed chapters help inspire budding poets to write their own haiku poems about nature food sports and more Example poems in each chapter serve as guides to spark creativity Aligned to Common Core standards and correlated to state standards Big Buddy Books is an imprint of Abdo Publishing a division of ABDO
