Fernandes,2020-10-16 Rosary is the treasured prayer of the Church Praying the Rosary together families have been built up in love and piety In the Catholic spiritual tradition the first prayers that children babble are of those of the Rosary This book is intended to enable catholic to understand what we pray and why we pray the Rosary prayer so that we may pray it more meaningfully and joyfully with deeper love affection and respect to our Blessed Mother The book is primarily apologetic in nature showing essentially how the prayer is Scriptural and in the minimum explanation possible attempts to answer some common doubts raised by our brethren outside the Catholic fraternity This book is not an exhaustive theological treatise on the Rosary It is written from a layman s perspective trying to include in it the necessary biblical and theological explanations In the process I have relied heavily upon the Catechism of the Catholic Church to substantiate my arguments since in it we have the official teaching of the Church

is aligned with a particular evil helping you focus on everything from abortion murder and genocide to materialism illness and disease to pollution corruption and abuse of the poor Through Scripture reflection and ten positive things to pray for in each of the mysteries you ll gain a vision for how the demonic evils can be trampled down through prayer and action With Praying the Rosary for Spiritual Warfare you ll be answering St Paul s battle cry Put on the whole armor of God that you may be able to stand against the cunning schemes of the devil *A Story from Twindom* Tricia J Culverhouse,2013-02-20

Twindom is an imaginary community outside of Nashville where twins separated often by evil forces are reunited Most of the residents of Twindom have found each other through the Twindom website However some driven by the circumstances of their existence must travel through and be rescued from the Valley of Despair Dr Timothy Franklin and his twin brother Thomas a paramedic usually make the rescues They are spending Tim s sabbatical together in Twindom before Tom enters medical school The first person the Franklin twins rescued Bob discovers he has a twin brother when his adopted parents go through a divorce Bob runs away shortly thereafter to keep from murdering his adopted mother She was extremely cruel and tried to destroy his artistic bent He finds himself in Twindom Six years earlier Donald Brown an African American saw his twin brother Ronald kidnapped in broad daylight Now a junior in high school Donald a trained runner has developed a severe panic disorder and frequent breaks with reality in response to the kidnapping Donald goes off his medication for several days and makes the journey through the Valley of Despair usually a two or three day trip in 18 hours Evil forces separate Margaret Elaine Smith from her twin sister and younger brother after their parents die in a plane crash Her kidnapers carry her off to an abusive foster home She escapes after three months The Franklin twins sedate and bring Margaret Elaine into the safety of Twindom She arrives in Twindom with anorexia the result of the abuse Meanwhile Bill Davis arrives from San Francisco and reunites with Bob Bill Davis arrives with the Johnson diaries These will unlock the mystery of the Johnson twins whose statue stands at the center of the Garden of Hope Indeed the development and actions of the Johnson twins are central to this novel On their sixteenth birthday March 3 1840 Levi and Eli Johnson first share with each other their conviction that slavery is wrong as they walk in the woods behind the Johnson Plantation Knowing they must take every precaution to keep their thoughts and feelings about slavery secret especially from their father Levi suggests they communicate on this subject only in writing The Johnson twins were nineteen when they attended their first Quaker meeting The Quaker spirit was much more in tune with the twins own gentle spirit Soon they secretly embraced the Quaker religion and its teachings against slavery This step gave the twins an inside track towards fulfilling their larger goal of helping to end slavery everywhere In 1848 Jeremiah Johnson died leaving to his twins 100 slaves Levi and Eli promptly free their slaves and transform the Johnson Plantation into a haven for escaping slaves Following the Civil War the Plantation became a unique orphanage where Black and White children grew up and were educated together In the 1940 s the Johnson Plantation falls under the control of extreme racists who transform it into a slave state unto itself As a first step the new managers separate

the youth and children and force the African Americans into slavery The process expands as those who agree with the new stance of the Johnson Plantation kidnap and sell additional African American youth and children to the Plantation Kidnapers also deliver White children especially orphans to Johnsons Haven The adults at the plantation school and Johnsons Haven carefully groom the White children to become the future overseers and managers Kidnapers deliver Mary Ellen and Billy Joe Smith However the staff cannot mold the Smith children the grandchildren of those who worked alongside Martin Luther King to fit its expectations Once Bob and Bill Davis expose the slave traffic the days of the Johnson Plantation are numbered However even before the authorities reach the Johnson Plantation the Franklin twins re
